TROY TOWNSHIP—The Troy Women's Club, Chapter 2 of Big Beaver have elected Mrs. Thomas McCormick of Naughton road, as their president for the coming year. Mrs. Marion Charlier was elected secretary treasurer.

The club meets every Monday evening to sew cancer pads. Mrs. Joe Olah, Mrs. Hall, Mrs. Charles Dorschner, Mrs. Harry Douglas, Mrs. Charles Hayward and Mrs. Kitchner have made 253 cancer pads in three meetings with Mrs. Hayward and Mrs. McCormick doing all the cutting.

Mrs. Howard Sanders, cancer chairman for Troy, is hoping that other groups can be started throughout the township. All such groups will be members of the Troy Women's Club, a service club but would have their own unit number, name by school district and club officers.

If anyone is interested in starting such a group, contact Mrs. Sanders. The material will be delivered and all sewing will be picked up upon its completion and turned into the cancer society where it will be recorded in the chapter's name.

The Women's Association of the Troy Center Presbyterian church, 17½ Mile and Livernolds roads, sponsored a family style dinner on Saturday, April 24. The public was invited.

discussed. The unit chairmen were introduced as well as the three public health nurses working on this program. Mrs. Liss is most pleased at the cooperation which she received from all the women who volunteered in carrying out the project.

IS INCORPORATION THE ANSWER? will be the topic for discussion when the Beverly Hills Association holds its annual dinner at the Birmingham Community House May 11. Association members will hear a review of incorporation movements in Southfield township and discuss the pros and cons of city rule. Pictured above, from left to right, are Max Roensch, Association president, Stanley Anderson, chairman of the dinner; and Mrs. E. C. Lewis of Franklin, the program's principle speaker.

Bill Hanes, Coralie Sholtka, who assisted Bill, spoke on the student council and their respective duties.

They were very proud of their clothing drive, at which they collected 372 pounds of clothing which was sent to Africa. The student speaker, Ralph Dabbs, spoke on student court. There was a discussion by all present on a Parent Teachers Students Association in the high school. This brought out the point that the PTA, as it would be known, would have student participation.

The entertainment was provided by the following students: Helen Warren, who sang the "Dorset Song"; Ruth Bennett and Roberta Knoll, who sang, "Make Love To Me" with Mary White at the piano; and Skip Teeter, assisted by Dale Tino, who entertained with one hour of magic. Refreshments served at this meeting were by the women of the Smith school of Troy.

The next PTA meeting will be held on May 21, at 8:00 p.m., and as it is to be the last meeting of the year, annual reports will be read, installation of officers will be held and reports given on the convention. The Home Economics and Shop classes will have their reports and crafts on display.

The Michigan Mobile chest X-ray unit was in operation at the Troy township hall, 90 West Wadley road, on May 3 and 4 of this week. Although the X-rays were free they were limited to residents over the age of fifteen years. The X-rays only take a minute but it could be a most important minute if it reveals tuberculosis or other chest conditions. The residents of this area were most grateful for this life-saving public service.

The Troy 2 PTA sponsored a teenage dance Friday evening at Troy school. Mr. Wilcock furnished the music and Mr. Decker was the square dance caller, who also instructed the children just learning to square dance. Champions for the evening were Mr. and Mrs. Fred Grisson, Mr. and Mrs. Beech, Mr. and Mrs. Carl Allen and Mr. and Mrs. Ben Jones.

The St. Elizabeth circle met at the home of Mrs. Sobelski on April 28. Mrs. Ronald Rounselle, is the circle's chairman, Mrs. Louis Kel-

ler, co-chairman and Mrs. John Hausfeld, secretary-treasurer.

Club which meets at 346 Alpine road, is very busy at this time selling tickets for the 4-H square dance which is to be held at the New Hudson high school, near M-16 and Pontiac Trail, on May 15 at 9 o'clock. Because of the location of this important event, sales of tickets are being stressed in southern Oakland county as it is difficult for residents of Oxford and Lake Orion to attend.

Proceeds of the dance will be used for the erection of a live stock building at the 4-H fair grounds to house the horses. Next year, the hope is for a dairy barn, out of the high rental cost first, due to the high rental cost each year of the horse stalls. Any one interested in making a donation

in connection with this dance may call MI 4-6454.
