CARS Announces Special Program
A meeting of special interest is planned for Nov. 14 for members of the Catalpa Amateur Radio society, according to Howard Estes, president of the society. Estes said the guest that night would be Dr. Harner Selvidge whose talk on "Radio Astronomy" will "open a fascinating new phase of amateur radio for members to explore." This meeting will be held at CARS headquarters in St. James Episcopal church. Estes also announced another civil defense drill for Nov. 22, with the annual simulated emergency test being scheduled for 8 A.M. This affair will end at 11:30 A.M. in the square Lake road and Woodward, about 9 p.m. The first week of November, Estes reported, 40 club members visited the WBR-TV transmitter for a tour which included a color TV demonstration.
