Election Law Reform Topic Of LWV Unit Five Meeting

Your reporter is back on the job with ears cocked for news, and eagerly awaiting telephone calls from column readers. Your fall and winter activities are of interest to all so let us hear about them.

Fully launched upon the 1954-55 program is the Birmingham League of Women Voters, which this year has renewed its popular unit meetings. These units consist of small discussion groups set up throughout the city to acquaint members and any interested persons with certain current local or national affairs.

Unit 5, under the leadership of Mrs. Jack Gieck is the group most

accessible to residents in this area. Meetings were held once a month on the second Wednesday.

Unit 5 met this Wednesday night at the home of Mrs. Chris Simon of Bess-st. road. Discussion topic this night was "Election Law Reform" under the informed guidance of Mrs. Donald Howard and Mrs. Jack Warren. Those interested in attending meetings in the

future, please contact Mrs. Gieck.

HAPPY BIRTHDAY

The first two weeks in November is one big birthday time for the Alfred T. Joldersma family of Arlington road. Not only do children Diane and Tommy celebrate, but grandfather Joldersma gets in on the fun as well. Diane celebrated her ninth birthday Saturday with a party highlighted by movies taken this summer of the neighborhood children staging their ingenious circus and shows.

Friends attending were Ronnie Pasutin, Margaret McCartney, Sandra Hall, Bonnie Bender, Mary Ellen Douglas, Lynda Weston, Judy Brindle, Judy Bessie, Robin Andersen, and Peggy Newman.

Grandparents, the A. C. Joldersmas of Holland will arrive this weekend to help Tommy celebrate his sixth birthday. Guests at the party will be Mark Christiansen, Rex Beach, Hugh Danville, Eric Coffman, David Anderson, Johnny Hitt, and Tommy Newman.

Cub Scouts were busy this week with the meeting of Pack B-24 held at Beverly school on Monday. High-

light of the evening was the awarding of Bob Cat pins.

WELCOME NEWCOMERS

Newcomers, Mr. and Mrs. O. H. Tipton of 31711 Arlington, formerly of Rosedale Park, are perhaps the most avid hunters we've heard of lately. It's up with regularity in the wee hours in quest of the ill-fated duck, and an early curfew for them, these days.

They find their summer cabin grounds on Big Lake an ideal spot and are joined by hosts of friends. This weekend's activities were climaxed when the Tiptons entertained 30 of their lake friends in their new home Saturday night.

The Tiptons have two sons, Charles, four and David, 2. Tipton is in the purchasing department of the Detroit Edison company.

More newcomers to the area are near-newlyweds, Mr. and Mrs. Edward L. (Ted) Barney of 15589 Kirkshire. Mrs. Barney, formerly from New Brunswick, N. J., is a third grade teacher at Our Lady Queen of Martyrs school, and a graduate of the College of New Rochelle, N. Y.

Barney, formerly of Great Neck, Long Island, is a graduate of Colgate, and is associated with the Bakelite company. They are members of the Suburban Knights-Dance club.

Mr. and Mrs. C. M. Moody recently of Kirkshire moved into their new home at 16942 Marquette early in October. The Moodys, formerly from Montclair, N. J., have two sons, Pete 14, and Craig, 6.

Moody is on the central staff of the Ford Motor Co. and is a member of the VMI alumnae association. Mrs. Moody is a member of the DAR, while son Pete is active in the Youth Group of the Presbyterian church.

The Andrews P. Spiegels have recently returned from a week's
