

Remodeling of Wilson Drugs Is Completed

BRIGHT NEW LOOK GREET'S WILSON DRUG PATRONS
Store interior was completely redecorated

Changes Provide Room For All Departments

Workmen have completed the remodeling and decorating of Wilson Drugs, 101 N. Woodward, and the new look is one of brightness.

Original entrances were changed to all-metal panels and glass with the recessed main entrance flanked by modern glass display window boxes.

New fluorescent tube lighting fixtures replaced all the old lights in the store and the entire interior was given a new color combination.

Expansion on the Woodward avenue side added room for enlargement of nearly every department and enabled store officials to rearrange these departments.

An innovation, a self-selection display has been added for sale of necessary home needs such as toothpaste, shaving cream, hair oil, etc.

The cosmetic department has been enlarged by 25 per cent and more room provided for the prescription counter.

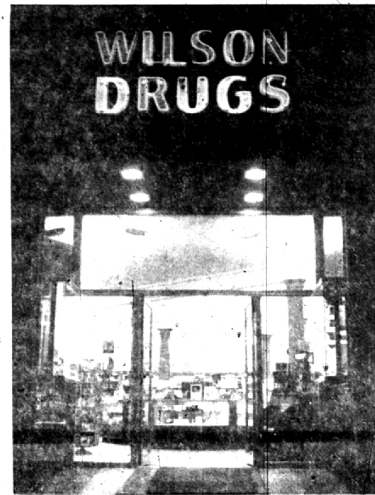

The cosmetic counters now also offer a line of men's cosmetics.

Increased space has been provided for the gift wrapping and gift card section.

The gift department now includes a line of educational toys and games.

A rubber tile floor completed the remodeling.

The Chissus Construction company was the contractor for the entrances.

Monica Guild Sets 1954 Bazaar Date

The sixth annual bazaar and bridge tea of the Monica guild has been scheduled for Nov. 20, from 1 to 5 p.m.

Originally a church group, the 27 young women members of the guild have worked together for 17 years, turning their efforts and talents into charity funds.

They work together throughout the year making unusual items for their annual bazaar. This year they will feature handmade aluminum brass, ceramics, silver jewelry and many others.

Proceeds of the bazaar, to be held at St. Woodward Congregational church, Detroit, will go to several projects including the St. John's Presbyterian community school in Detroit, a scholarship for a nurse in a local hospital, therapeutic treatment at Children's Center and summer camp for several children.

Birmingham members participating in the 1954 bazaar are Mrs. William Donnelly, Mrs. Rodney Foxwood, Mrs. William Rindell and the Misses Elizabeth Smith and Margaret Myers.
