Many Gifts at Church Fair

An atmosphere of Christmas and sleigh bells will prevail at the Congregational Church of Birmingham on Dec. 2 when the Women's Fellowship stages its all-day Sleigh Bell bazaar.

Current activities concern booth chairmen who are gathering the sale items together, planning decorations, the placement of booths and how best to display the large number of beautiful gifts.

Mrs. John Mann has received a large supply of aprons, ranging from simple to fancy in all types of material. These have been made by Fellowship members during the past eight months.

The wide variety of jams, jellies, pickles and other goodies for the bazaar staff are being turned over to Mrs. A. D. Sheldon, chairman of this group.

Also on the pantry shelf Mrs. Wilkin Arnold has assembled a variety of Christmas specialties including special holiday cookies.

Mrs. Jack Clark says there will be a plentiful supply of books and novelties. Mrs. Leon Jackson carries an "interesting" job assortment of cards.

Mrs. Robert Thompson and Mrs. John Hill will see to it that the bazaar staff are being treated to a number of surprises for young churchgoers.

Gifts and decorations for home and tree are also plentiful according to Mrs. Fred Edwards.

Unitarians to See Films on Mexico At Dinner Meeting

Coming from Detroit, Harold Lennaker will be the speaker at the Nov. 20 Unitarian family pot luck dinner. The affair will be held in the Y building at 6:30 p.m. Lennaker will show slides and movies about New Mexico where the Unitarian service committee has established a camp for Indian boys and girls.

The evening plans have been in charge of Mrs. Joseph G. Jarrell, assisted by Mrs. Percy R. Lovvorn, Mrs. Harry P. Brown, Mrs. Charles Howe, Mrs. Ronald Sawyer, Mrs. George W. Young and Mrs. Hugh Brown.

Each time there will be a short business meeting, a service program and dinner.

Holiday Trimmings Featured at Fair

A feature of the Holiday Fair of Community Church, Birmingham, will be the sale of Christmas decorations.

Decorations, including lights, cards, and other items, will be available from Mrs. H. A. D. Sheldon, chairman of the fair.

THE 1955 BUICK

WHEN BATTLE AUTOMOBILES ARE BUILT BUICK WILD CATS WILL BE BUILT THEM

something more than style and power. It's what the "variable pitch propeller" nose has done for Dynaflow Drive.

Up goes performance — and gas mileage too

When you find it necessary to push the pedal to the floor board, you do more than call on the greatest high-compression V8 power in Buick history.

You do what a pilot does when he heads his plane down a runway.

You do it all what he does in air — you cut down take-off time by using "variable pitch propellers."

In this case, the propeller blades are inside the Dynaflow unit. But they're engineered to swivel or change their "pitch" just like plane propellers — and with the same result: one pitch to be lazy, another pitch for gas-saving fuel efficiency.

And what you get in the way of instantaneous safety surge with absolute smoothness, you can only believe when you feel it.

This you have to try

Of course, we want you to come and see the trend-setting new Buicks — look into the bottom seats in gasoline mileage that add new thrills to these spectacular cars.

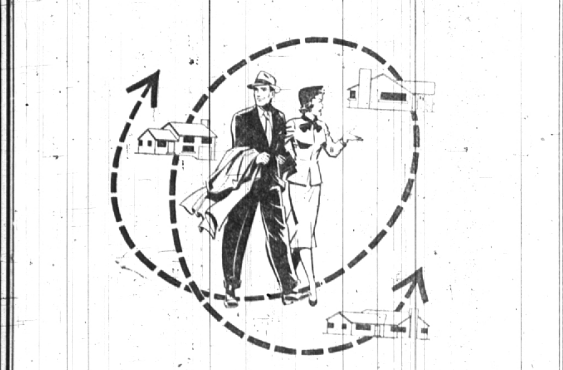

But this car, "seeing" is only the beginning. So — while you join the crowds viewing the new Buicks this week end, make a date to get behind the wheel as soon as you possibly can. We promise you the thrill of the year.
