# A Happy Christmas Story

Two little reindeer, Donner and Blitzen by name, were talking together one day.

Said Donner, "How in the name of the North Pole are we ever going to get all this stuff made and delivered by Christmas?"

Said Blitzen (an old deer), "Calm yourself son. Our problem will be solved when the people of Birmingham see the useful and intriguing stuff at McCLELLAN-BALL COMPANY."

"Nuts," said Donner. "I was up here last week and didn't see a thing."

"Listen, pip-squeak," replied Blitzen, "they weren't ready for you. They have their stuff lined up in sort of 'TO DO WITH' groups, such as:

**TO DO WITH OUTDOOR DINING**  
 MEAT TENDERIZER (Whack, don't sprinkle)  
 HAWAIIAN TORCH (Let there be light)

**TO DO WITH FLOWERS**  
 WATERING POTS (Small mouth, long snout)  
 FLOWER BASKETS (Tough but oh so dainty)

**TO DO WITH PETS, BIRDS & MISCELLANEOUS**  
 BIRD CALL (for calling)  
 FIGURINES (Equine, canine)  
 DOG STOCKINGS (about 6 denier)

**TO DO WITH YARDS AND GARDENS**  
 SOIL TEST KIT (Gets down to dirt)  
 BOOKS (No use to be ignorant)

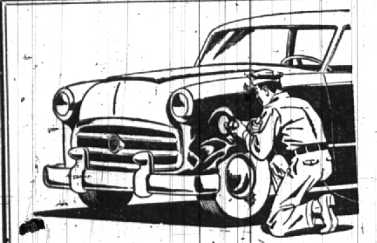

**TO DO WITH HOME BEAUTY AND COMFORT**  
 MEAT TONGS (Juice saver)  
 FIREPLACE GRILL (After cooking you can set it on the table)

"Well, I swan," ejaculated Donner, "it sounds the greatest."

"Yes," murmured Blitzen, "it's real gone."

AND THE LITTLE DEER SLEPT SOUNDLY.

## Guide to Good Living

You can't tell a book or upholstered furniture by its cover...

If you aren't a furniture expert, the wide variations in the price of similar looking upholstered furniture may, at times, be confusing. But here are two points worth checking: 1. Consider the integrity and reputation of the maker. 2. Try the furniture you contemplate purchasing for comfort by sitting in it.

In our case, you'll find that we have been building a reputation for fine furniture for more than a quarter of a century—attaching our label only to those upholstered pieces made in our custom shop here we can control quality down to the last detail.

Further, you'll find that our upholstered pieces are as comfortable as they are attractive. In the sofa at left, for example, spring-down seat cushion construction produces the kind of luxurious comfort that defies comparison.

As you would expect, each item we create carries a five year guarantee of workmanship and construction.
