## A HAPPY CHRISTMAS STORY

(Continued from last week)

"Good morning, Donder," said Blitzen. "Do you feel better today?"

"Fit as a fiddle, Blitz," replied Don. "Which reminds me that The Birmingham Eccentric says the people of Birmingham are still fiddling around while out-of-town people are putting 'lay-away' signs on that cool stuff at McB's."

"Happens everywhere, Don. People can't see the forest because of the trees. (Santa said that). But I notice in our Stock Mirror (we can tune it on any store in the world and see exactly what they have)—I noticed, that at McB's they have a snooty BRASS WATERER and a HAWAIIAN TORCH SINGER—oops—I mean a HAWAIIAN TORCH. This torch lights up the back yard better than a dozen high-balls. They're real cool."

"Say that's the greatest, Blitz. Let me take a—hey!—dig that 6 QUART DOUBLE LUG BROWN POTTERY ROASTER (Casserole) and that concomitant 2 QUART LOCK LID COPPER POT."

"Yeah, Don. I saw that too. But for something real snappy cast your eyes on that 7 PIECE POPCORN SET. A person couldn't make a goof (see TIME, Nov. 8, page 70) on that deal. Er—what am I saying? This item is a beooiful gift."

"Blitz, I see they carry Roger Eddy's BRD CALL. I tried one and I'll be jiggered if a yellow-bellied sapsucker didn't fly in and start working on my antlers. You know there ain't any bugs on my bones. So I ditched it quick. I was afraid I might get a bald headed eagle and I don't like 'em."

"Don, let's call it a day. Why give away all of their surprises. If people were as smart as deer they would go and do a good chunk of their Xmas shopping at McB's. It really 'flips me.'"

"O.K. I understand that blond deer Vixen will be with us next week. She's green—dark green."
