TOY SECTION

Here's what Christmas dreams are made of!

A Shopper's Guide To TOYS In Your Birmingham SHOPPING CENTER

Toyland, toyland—wonderful boy and girl land. It's right here in Birmingham. There's plenty of fun and excitement for young and old alike in the gaily decorated shops. Santa's many helpers will find everything a child could possibly want, within these advertisements or at the wonderfully stocked stores. Brand new ideas in toys, improvements on the old, reliable, no efforts have been spared to present a selection that will offer the specific toy for your child or offer a host of suggestions for that long list of names with no ideas of what to choose. Educational toys or cap guns, dolls or bicycles, model planes or children's records—from A to Z—you'll find gifts to light up their faces on Christmas morning. Why not save this section and do your shopping from its pages? And, to find out what the kids would like Santa to leave, have them look it over, and note what particularly interests them. Yours for an easier, pleasure-shopping visit in Birmingham.
