

# Coloring Sets, Building Kits, Play Stores Among 'Quiet' Toys

Stores everywhere are getting the younger generation happy, merry, and contented, and even when mothers are away—brought out one at a time when the bad day comes along, the education of young youngsters in the use of coloring sets, building kits, and play stores, even greater thrill.

Among the gifts which can be given to a child, the quiet toys are the most popular. They are the toys which can be used for hours and hours, and which can be used by many children at the same time. They are the toys which can be used in the home, in the school, or in the playroom.

Every toy counter will offer a well-kept, well-stocked, and well-organized display of quiet toys. These toys are the toys which can be used for hours and hours, and which can be used by many children at the same time. They are the toys which can be used in the home, in the school, or in the playroom.

**Boys Like to Save**  
The hobby of collecting is a natural development of the child's interest in play interests and toys that can be saved. It is a hobby that is enjoyed by boys of all ages. It is a hobby that can be enjoyed in the home, in the school, or in the playroom.

**Guides to Giving**  
Children of the same age are of different temperaments. Some are more interested in musical toys, some in building toys, some in action toys, and some in quiet toys. It is important to know the child's interests and to give them toys that will be enjoyed.
