From where I sit... by Joe Marsh Our Town Makes Good in New York City From where I sit, just about everyone thinks his own home town is best. Picking your town seems natural. The right "do" when it's kicking" though, is what's really counts. Whether it's a favorite town, a favorite out town, or even a choice of a better one—say between here and butternut, it's respecting the right to this freedom of choice that makes a good neighbor. I hope you subscribe to this! Joe Marsh
