TRYING A DRYER IN YOUR HOME

(You keep this gift whether you buy the dryer or not)

Now you can put an end to clothes drying work and worry. STOP lifting, hauling, pinning, hanging, bending and weather worries, too. Save time, save work, save clothes, save yourself and cut down on staining. With GAS there's no soaking, no warm hot dry clothes in minutes any time—rain or shine, day or night. No more sun fading or clothespiling. The automatic GAS dryer gently tumbles—tosses your clothes to dampen per storage-dry.

Only Gas DRIES CLOTHES SO FAST
COSTS SO LITTLE TO USE

THREE LITTLE PIGS and three little houses illustrate one of childhood's favorite stories, and made many a watcher at Saturday's Halloween parade wonder if daddy is a building contractor. The little rabbit, another who rode in style, may not be the youngest in the line of march, but certainly can be chosen as one of those who will undoubtedly be around to carry on the tradition of the community party. (Eccentric Photo)

Halloween Poems, Stories Recited

ROOMFIELD VILLAGE Elementary school children last week gathered into the Halloween spirit by reciting original stories and poems about the holiday. Among those who completed most creditable work in poems by Stan Dobbie and a story written by Cindy Hagan.

HALLOWEEN
The night is golden,
The stars are bright.

The children are happy,
It's Halloween night.
The witches and ghosts
Are ready for fight.
So boys and girls beware tonight,
They're out to fright.

The pumpkins are fit
For pies and milk,
Waiting for people to see,
They're so nice.

Village School Marks Halloween

ROOMFIELD VILLAGE Mrs. Sankley, second grade, Penny Cowan, reporter, had a Halloween party at school. We carried pumpkins. We had a fair bit school.

Miss Jones, second grade. We have been making many kinds of Halloween decorations for our room. Robin Kelly and Jane Taylor have sewn lovely dresses. Mrs. Conover had a rock baby brother. We dressed in our Halloween costumes and paraded for the first grade children.

The two second grades are getting together to enjoy each other's costumes Friday afternoon. The group played games, had Halloween skits, and slight refreshment.

Third Grade, Mrs. Wangerberg, Mrs. McKinnon is our president this week. We helped Party committee her birthday. We enjoyed the refreshment and the happy hour.

Third and Fourth Grade, Lynn Beary, reporter. The president is Worthy Lord and vice president is Mike Lindquist. The good citizens are John Slater and Christine Beary.

Last Friday night we made our own Halloween costumes. Fifth Grade, Miss Akon, Sylvia Filson brought and played her

album of "Sonny Applesseed" for the children.
The children all wrote Halloween stories. After all the children had read their stories they had a party in the class room.

Tickets on Sale For Variety Show

Members of the senior class are undertaking the ticket sales for the 1954 Variety show Nov. 18 and 19. Admission is a dollar with the student salesman getting one half of his total sales credited to his individual account for senior expenses. He may sell up to \$10, with \$15 going to him.
E. A. Hubbard, adviser, hopes every senior will sell at least ten tickets.
Sales are being unaged through homeroom representatives and will probably open Monday.

What's new with Chevrolet? everything!

Wonderful new **Glides-Ride Front Suspension**. New spherical joints flex freely to cushion all road shocks. New exclusive **Anti-Dive Braking Control**, assures "heads up" stops.

Even Air Conditioning, if you wish. Air is heated or cooled by a single unit that fits snugly into the front of the car. Requires no trunk space! (V8 models only.) Ask that's only one of the wonderful extra-cost options you can get!

Easier steering, stopping, clutching. The new Chevrolet steers with ball-bearing ease, thanks to new friction-cutting **Ball-Race Steering**. New **Swing-Type Pedals** pivot at the top.

Tableless tires as standard equipment. On all models! Proved tubeless tires give you greater protection against a blowout—deflate more slowly when punctured.

...and Chevrolet's got that long, low "let's go" look. It's shown up in the word "longer looking—and lots lower. There's plenty of glamor inside, too—plus more room for hats, hips and shoulders!

Three drives, including Overdrive. There's a **Powerglide** teamed with the new V8—the old "Blue-Flame 136". New **Overdrive** teamed with the new V8 or the low "Blue-Flame 136". **Powerglide** and **Overdrive** are extra-cost options. So are standard and transmission.

Great new V8—two new 6's. New "Turbo-Fire V8" delivers 162 hp with an ultra-high compression ratio of 11 to 1. You can choose from two new 6's—the new "Blue-Flame 136" with Powerglide (optional at extra cost) and the new "Blue-Flame 125."

A ventilating system that really works. Chevrolet's new High-Level Vents. Filtering system takes in clean air at level-high level—away from road heat, fumes and dust.

This is the car that began with a great idea—the idea that a low-priced car could be built that would have the style, the performance, the comfort and convenience features, and the fine quality "feel" of high-priced cars.

This is the car that only the world's leading car builders—Chevrolet and General Motors—could have built. The **Motoramic Chevrolet**! Come in and see how the Motoramic Chevrolet for 55 is far more than a new model. It's more, even, than a completely new car. It's a whole new idea about cars!

Come in and meet the **motoramic Chevrolet**
—more than a new car—A NEW CONCEPT OF LOW-COST MOTORING
