I can't wake up, Mommy - I can't wake up!

The story you are about to hear is true—unfortunately. A while ago two-year-old Mary Jo May had both eyes removed because a malignant cancer threatened her life. She didn't know what was happening at the hospital. And the day came when the bandages were removed. It was then that her mother, standing beside

her bed, heard Mary Jo May sob in terror, "I can't wake up, Mommy, I can't wake up!" You'd just about give your right arm to prevent that from happening to a child, wouldn't you? Well, it's just money we're asking for now, money to fight this terror. Do your level best for the Torch Drive this year—so some other kid can watch the sunset.

150 Campaigns in One!
The United Foundation is a permanent non-profit corporation created to unite separate campaign appeals for health and community service into one annual drive. It includes 128 United Community Services and 22 other health and service organizations.

How You Can Contribute
If you work in a plant, office or small business, make your donation to your United Foundation Chapter by signing a payroll contribution pledge. If you are a housewife, make your personal contribution to the neighborhood Torch Drive volunteer who will soon be calling on you.
