West Beverly Girl Scouts Hold First Meetings of Fall Season

Participating in the annual field day recently, over 1500 Birmingham high school students carried out the Olympic theme in parade, cheers, and costumes, also adapting the theme to the traditional field day events in the afternoon.

The seniors, traditional winners, carried off this year, taking first place with 77 points; sophomores second with 66.5 points; sophomores third, 65.5, and frosh fourth, 56.

Classes representing the countries in the parade were seniors, Greece; juniors, the United States; sophomores, China; freshmen, Egypt.

Points were awarded to each class on the basis of parade, cheering and field events.

A full set of pictures covering the three-hour event for the year-book and newspapers will be sent to President Eisenhower, who proclaimed the week of October 13 national Olympic games week and in a letter to Frank Whitney of the local schools, requested that all local schools find some way to emphasize the Olympics.

Maple Reserves Blank Parkers

By Tim Webber Behind the capable quarterbacking of Bob Peckhiser, the Birmingham reserve football team defeated Hazel Park 20-0 at Pierce Field last night.

The Maples wasted no time when in the first quarter they broke Jeff Ott's interception on the 60-yard touchdown.

The defensive line of the Maples is to be commended for its fine play. Although the Maples picked several first downs, they were penetrated during the Birmingham 30 yard line.

The second time, Birmingham city commissioners this week selected an \$4 million building to provide a new building for Oakland county government offices.

Relief sewers on Holland and Chubb avenues are being installed for advertising bids, City Manager D. C. Egbert this week told residents of the Birmingham Estates subdivision.

Property owners had complained of flooded basements during the recent monsoon, asked the city when relief would be afforded.
