The Party Line
In a recent letter to the editor of a Michigan newspaper, a reader wrote, "Kroger scores an exception, as you always get courteous treatment and good service there. That's music to our ears. It tells us we're succeeding in our efforts to make every Kroger store a symbol of courtesy and good service. If by chance you don't receive courteous treatment in one of our stores, will you write us? And, of course, we'll be glad to hear from you if our store employees were exceptionally courteous to you."
