

SUNDAY SERMON TOPICS

SUNDAY, OCT. 21

Unitarian

"A Wider Self" has been selected by the Rev. Russell Lincoln for his 10 a.m. service at the YMCA building. Church school services are held in the Apple Orchard school, Adams road.

Community Congregational

Basing his sermon on Matthew 7:3, 4, the Rev. John D. Rose will speak on "Facing Anxiety." His text will be "Therefore do not be anxious about tomorrow."

First Methodist

The Rev. Harry O. Martin, D.D., will occupy the pulpit Sunday morning, preaching on "The Conversion of Important Persons."

Franklin Community

"O Come, Let Us Worship" has been chosen by the Rev. Robert Searls for his morning sermon topic.

First Baptist

"Remember the Sabbath day to keep it holy," is the Commandment of which the Rev. Emil Kontz will preach Sunday morning as he continues his series on Biblical laws. His text will be "The Safeguard of Reverence."

First Presbyterian

"Sources of Spiritual Refreshment," the sermon theme of the Rev. W. Glen Harris, Ph.D., is based on Genesis 26:19. "And Isaac's servants dugged in the valley, and found there a well springing water."

Congregational

The Rev. Robert D. Dewey is taking his text from Psalms 103:13 (RSV) for his sermon "Like As Our Father." His dedication of the World for Christ, youth group activity, will be observed as funds are turned in at this service.

United Brethren

"The Enlargement of Fellowship of the Church" will be the subject of the 11 a.m. sermon by the Rev. Willis Bishop. His 7:30 p.m. subject will be "So Great Salvation."

Christian Science

That purification of thought and action removes the obstacles to individual growth, progress and salvation will keynote the sermon "Purification after Death." The Bible text is Philippians 2:12, 14.

New FORD THUNDERBIRD

A personal car of distinction
...with Trigger-Torque performance

Something totally fresh is here—a beautiful new all-steel luxury that sets the styling keynote for other Ford cars to come.

But styling gives the most hint of what the Thunderbird has to offer. For here, as in all cars you can drive with assurance and pleasure... for business or for recreation.

In traffic and on the open road, the Thunderbird's Trigger-Torque performance is literally a revelation. Here is fast trigger response... fast, liquid, lightning... backed by a reserve of swift, sure power to meet safety's every demand.

Trigger-Torque performance stems from Ford's new Thunderbird Special V-8—a high torque engine with 14-barrel carburetor, dual exhausts, wide-opening valves and Ford's famous fly friction design. And to enhance the performance characteristics of this brilliant V-8 engine, the Thunderbird's ground-breaking coil springs match the transmission of your choice of conventional, Overdrive or new Speed Trigo-Ford.

Then, in the field department, Ford's all-just Front Suspension really works smartly. It not only relieves cushion your ride, it also allows the Thunderbird to handle with utmost ease—to corner with greatest stability. And when it comes to stopping, brakes are big and powerful.

But, more important of all, the way the Thunderbird is engineered, designed... and built! For this is the product of the same advanced engineering... the same manufacturing skills that have made Ford products so dependable, so value full and so desirable to own.
