We're doing a COMPLETE face-lifting and remodeling job on our Colonial Shop to make it the smartest furniture store in town for convenient, pleasant shopping. But, right now, there's a little inconvenience because we've had to barricade the front door. But BEHOLD! That means we're going to make it mighty worthwhile for you to use the BACK DOOR! Prices are so drastically reduced to bring you around the back way (see map) that we call them "BACK DOOR PRICES"... and believe us, "BACK DOOR PRICES" are much, much lower than front door prices. So, come on, folks; BUY NOW! Business as Unusual!

IT'S A NICE CLEAN ALLEY... COME THRU IT FOR TRIANGLE'S
