

THE "BACKWARD LOOK" on the automobile industry provided the theme for the annual Cranbrook school homecoming celebration last Saturday. A line of cars that dated from the most modern sports models back to the old hoss and buggy preceded the homecoming game with Cleveland University school. Pictured here with a 1920 Locomobile Sportif are Cranbrook students who participated in the parade. Standing on the running board at left is Jim Currie. Driver is Avery Green with Jon Flexico and Bud Boucher at the rear of Avery. Cranbrook students selected Glenna Miller of Vaughan school as the queen for homecoming. (Eccentric Photo)

**School Broadcast Aids Torch Drive**

"Be This Your Torch," an original Torch drive play was presented by a group of Adams junior high school seventh graders over WCAR last week. The presentation were Mrs. Geraldine Rue, seventh grade English teacher, and Mrs. Monzelle Clark, Birmingham high school radio workshop director. Members of the cast were Steve Fare, Lois Ekstrom, Sue Wilson, David Nager, Carl Tisewski, Jon Spolstra, Bob Schulte, Keith McEwen, Gary Van Gosen, Shaoun Beutler, and Carol Evans. This was the group's first project on this kind.

**Night Pep Rally Precedes Game**

By PABBY MacLEAN  
On Wednesday, Oct. 20, the cheerleaders at Bloomfield Hills High School organized an evening pep rally. During the hour that the rally lasted the cheerleaders led the group in the cheers to be used at the football game the following night.  
On Thursday, Oct. 21, the night after the pep rally, the Bloomfield Hills football team played their only night game of the season against Fraser High School. Since the football game wasn't being played at Bloomfield, the "Dads" Club at Bloomfield Hills arranged for chartered buses to carry the players and students planning to attend the game to Roseville where the contest was held.  
The final score of the game was 19-0 for a Fraser victory.

**Elect Don Swanson TO THE STATE LEGISLATURE**

THE 4th DISTRICT, OAKLAND COUNTY, NEEDS A REPRESENTATIVE WITH HIS QUALIFICATIONS AND POSITIVE PROGRAM--A DEMOCRAT. DON SWANSON IS PLEDGED TO:

**Student Congress Winners Named**

Leadership, ability, and the will to serve are rewarded by the present Birmingham high school student congress honorary system. John Beiser, Nancy Yarnall, Tracy McKeven, Ann Seymour, and Edith Williams were recently elected to the House of Representatives.

Stan Rosenquist, Dick Silbar, Doug Austin, Jim Gillen, Helen Black, Sue Spencer, Mabel Harabedian and Sue McDonald automatically became honoraries when they were defeated in the recent Student Congress elections.

The Senate elected Bab Ketchum, Ann Sheenfield, and Rosemary Greiner as honoraries from a list of 12 applicants.

Honoraries are given the same privileges as regular members, including the right to vote and act as chairmen of committees. They are elected by Student Congress, qualifications being that they must submit letters of application and must have served at least one previous semester in Congress.

afterwards and Tom Beck, president, honored the new members to the club. Receiving their maple leaves were Dick Morgan, John Appleford, Tim Baldwin, Bob Goldsmith,

Low... and behold!

**The motoramic Chevrolet for '55**

Chevrolet and General Motors took a whole new look at the low-cost car--and just look what happened!

**NOW BEING SHOWN!**

The Bel Air Sport Coupe--one of 14 new Fisher Body beauties in three new series.

**8** The valve-in-head V-8 as only the valve-in-head leader can build it!

**6** You can choose from two new sixes, too!

Now Chevrolet, the leading builder of valve-in-head engines, introduces the "Turbo-Fire V-8." It carries the V-8 design to a new high in efficiency with its high horsepower (162), high-compression (8 to 1); high performance and surprisingly high gas mileage. Available with standard transmission, or with the extra-cost options of Overdrive or Powerglide.

Chevrolet also offers the last word in six-cylinder performance and economy! There's a new "Blue-Flame 136" teamed with Powerglide and a new "Blue-Flame 123" with either standard transmission or Overdrive.

Can't you tell just by looking that Chevrolet and General Motors have come up with a completely new idea about the low-priced car? The idea is this: to build a car that offers the very newest thing in styling, the most modern features, the finest kind of performance and the highest quality of manufacture--all at a modest price. It's something that took a lot of doing and that only the world's leading car builders could do. Everything's new in this Motoramic Chevrolet from its lower top right down to its tubeless tires. Come in for the most fascinating visit you ever made to an automobile showroom!

**The motoramic Chevrolet**

More than a new car--a new concept of low-cost motoring!
