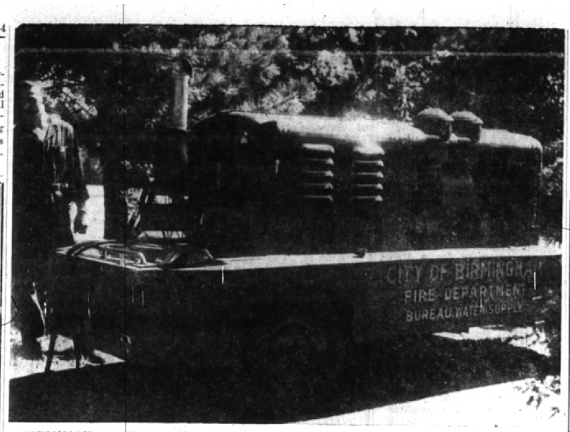
Cranbrook Gardens Don Fall Colors

Recent heavy rainfalls have given added life to the hundreds of flowers blooming in the Gardens of Cranbrook House.

Autumn visitors to the Gardens will find formal plantings and carefully trimmed boxed shrubs at their peak, and 40 acres of landscaped park just donning fall colors.

The Gardens, open through October, are operated by the Scholarship committees of Kingswood and Cranbrook Schools. A nominal admission fee is charged to benefit outstanding students needing scholarship assistance. Open hours are Saturday 2 to 5:30 and Sunday 2 to 6:30 p.m.



BIRMINGHAM WAS LUCKY during the Sept. 19 electric power shortage. While housewives wondered how they'd finish cooking dinner, the fire department hooked the emergency generator up at the West Well, on Lincoln, and removed any question of water shortage. According to Fire Chief V. W. Griffith, George Wallace operated the generator for about an hour, beginning at 11:30 a.m., and pumped between 80- and 100-thousand gallons of water during the period.
