

Hills PTO Forms Units

While one branch of Bloomfield Hills' PTO organized a board of six couples to guide its first steps, another proceeded to select officers for its initial year.

Parents of high school pupils, whose school is now yet built, elected officers and decided to meet each second Monday of the month, starting in November. Officers elected are Mr. and Mrs. Walter Tiede, president, Mr. and Mrs. Thomas Stacey, president elect, and Mr. and Mrs. J. A. Manley, secretary.

Vaughan elementary school's PTO members will be led by the Albert Halls, the Hugh Martins, the Philip Maxwells, the Robert Monthjacks, the Henry Van Bursts, and the Milton Rogers. They will choose officers Tuesday night.

The two units met following a general meeting of the PTO Monday night at a Vaughan school in the Hills, at which a new constitution was read and approved.

Totalling three groups now, with the already formed Wing Lake group, the groups absorb members from Pine Lake school, too small for a separate unit.

Birthdays, anniversaries, guests, births, parties are all news—the society editor about them.
