### Beloved Principal, Teacher Grets Wing Lake Students

Mothers who shepherded their children to Wing Lake school day after Labor Day were visibly impressed with its principal, Mrs. Oscar Forslund.

Serene and calm, despite the painters and workmen busy putting the finishing touches on the new wing, effected youngsters searching for classrooms and the clamor of a tractor spreading dirt outside her window, Mrs. Forslund went about registering new pupils with the same cheerful aplomb and efficiency that, year after year, has won the respect and affection of her students.

A part of the nippy, fall days when folks begin putting their coats and flasks away for winter is the gay exodus of young people off to college. Among them are Barbara and Bill Atkins of Wing Lake. She will be a freshman at Smith in Northampton, Mass. Majoring in engineering.
