

Garden Meet Stated At Higgins Lake

The annual Conservation Conference for members of all garden groups is to be held at Higgins Lake Sept. 21, 22 and 23.

Birmingham Branch of the Woman's National Farm and Garden Association will be represented by Mrs. Charles Davison and Mrs. W. L. Lowrie, the incoming and outgoing chairmen of the conservation department of the local club. They welcome any other club members who wish to join in the pilgrimage.

SPEAKERS of national reputation have been scheduled, a field trip has been planned, a series of

workshops led by the state staff personnel will be held and every effort is being made to provide the participants with information and stimulation to take back to their various clubs.

Letters have been received from the four local teachers, sponsored by the Birmingham club, who attended the training school at the same location earlier in the season. The courses of study on the wise use of our natural resources gave them a variety of material to use in their classrooms.

At Atlantic City

Mrs. Walter Noble of Oakleigh drive flew to Pittsburgh last week to accompany her mother, Mrs. Nicholas Kopp, to Atlantic City. They will stay at the Chalfont there for a couple of weeks.
