Fun Day Slated At Forest Lake

"Fun Day" at Forest Lake Country Club will end the golf season with ladies' golf day and a luncheon. All participants will arrive in costume for nine holes of golf. Prizes will be awarded for the funniest and most original costumes. Chairman of the golf committee is Mrs. Stewart W. Nunnally. Luncheon will be at 1 p.m. Ladies' bowling activities began Sept. 15 at Bloomfield Lanes, with Mrs. Harry S. Siegel in charge. Mrs. Kenneth J. Wagoner was winner of the ladies' 18-hole golf tournament played last week, with Mrs. Russell M. Downey as runner-up.

Three among every five pupils enrolled in elementary and secondary schools last year received basic lessons in volunteer service for others through Junior Red Cross programs in the schools.

A contribution of five cents by each of the 19,600,000 Junior Red Cross members constitutes the equivalent total value of gift boxes filled in the schools and shipped to children in other lands.

Red Cross chapters participating in program activities of the Junior Red Cross in the 1952-53 fiscal year numbered 2,272.

HERE'S GOOD NEWS! We can rent an R.S. Water Softener at a cost that's so low we'll be money ahead when our savings on soap and other things are considered

THAT'S RIGHT! And when we're ready to buy a new R.S. Ball-o-Matic we'll get credit for a generous portion of the rent we've paid. IT'S THE BEST DEAL WE CAN GET!

R.S. Ball-o-matic WATER SOFTENER

There's both right. The Reynolds Rental Plan is really sensational! You rent an R.S. Ball-o-Matic 10,000 Grain Capacity Water Softener for only \$1.75 per month. You control it and regenerate it as often as you want. It's yours to use in your home or even to take with you. It can be used abundantly.

It will only cost you 13¢ a day (in extreme cases a few cents more) to have all the soft water you need. All the water in your home will be zero-salt, and can be used abundantly.

Then, when you're ready to buy a water softener, you receive a credit for the rent you've paid to apply on a new R.S. Ball-o-Matic. You can keep the rental unit, if you wish.

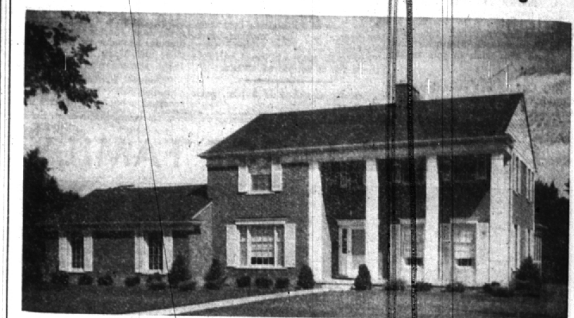

You can't afford to be without soft water!
