ENJOY SOFT WATER THE SERVICE WAY

It's trouble free—No worries on your part—We make the initial investment. We assume the problem of regeneration. We assume all maintenance costs. All this for a small monthly service fee—just like your electricity, gas or telephone facilities—

Compare these advantages with owning your own—

Consider the initial investment.

Consider the depreciation.

Consider the interest and finance charges, even though they are hidden.

Consider the regeneration problem.

Consider the cost of salt and trouble to haul it in.

Consider the cost of repairs and maintenance when "it" doesn't work.

Consider the cost of replacing mineral.

Consider the importance of thorough sterilization.

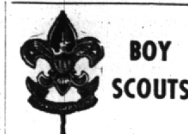

Consider water supply and cost of water for regeneration.

Consider how you will dispose of the salt brine from regeneration. (Dump it on your lawn! In septic tank! Please don't!)

Will-O-Way Play Benefits Pontiac Symphony Assoc.

The Pontiac Symphony Orchestra Association, working for success of an Oakland county-wide performance of an orchestra, was given a financial boost by the Will-O-Way Playhouse, when it donated its entire proceeds of its Sunday night performance of "My Three Angels" to the association. This was the closing night of Will-O-Way's 14th season.

PLANS have been completed by officers and members of the Pontiac symphony association for the third year of concerts with Francesco Di Biasi, conductor, and Celia Merrill Turner, associate conductor.

There will be four concerts beginning Oct. 27, when the soloist with the orchestra will be Mihaela Muschakoff, violinist and concertmaster of the Detroit Symphony. The concerts will again be held in the Lincoln junior high school, Pontiac. Dates for the rest of the series will be Dec. 7, Feb. 16 and April 30.

ACTIVE and patron members are sought, who will have voting privilege in the affairs of the orchestra association. Contributing members for organizations will help support this growth in fine music.

Season tickets and children's single tickets will be available. Single tickets for adults will be sold at an advanced price.

Officers of the Pontiac Symphony are Jay Jacobson, president; Mrs. Donald Hogue, vice president and president of the Women's Association of the Symphony; Mrs. George Wyman, secretary; and Sam Hale, treasurer. been changed to Monday night at the First Baptist church Scout room.

WHILE SUNDAY MORNINGS' ELECTRIC power breakdown caused untold inconveniences in area homes, it also had a disconcerting effect on local church services. Choir members at Our Shepherd Lutheran church discovered shortly before the 11 a.m. service that they would have to do without the organ accompaniment. Luckily, after church members had placed a piano on the main floor of the sanctuary and choir members began filing downstairs from the organ loft, Detroit Edison came through and the church music was continued as planned.
