

## A pleasure . . . always

Professional and business men with offices in the Wabeek Building frequently tell us — "It's a pleasure to have offices here . . . the building maintenance is so completely satisfactory."

And that's as it should be. The Wabeek Building is the finest business address in Birmingham, and we aim to keep it at its peak. With its central location, beautiful appointments and excellent service, there is no other building in the area to equal it.

Professional and business men interested in obtaining space in the Wabeek Building as it becomes available, should make application now, or see the building manager, for complete information.

## Mid-September Vacationers Returning to Beverly Homes

While most residents are back, busy at work, a few who do not have school-aged children, are still enjoying the luxury of relaxing away from home territory.

Mr. and Mrs. Robert Stapleton returned to their home on Auburn drive last weekend after a two-week tour which took them into Canada as far as Quebec.

Coming back into the States, they went through New England and down into Washington, D.C., before returning to Beverly Hills.

Mr. and Mrs. Daniel Beaufait of Birmingham rented a cottage on Lake Handy, near Brighton, and with the Beaufait crew, set out on a family vacation of swimming, boating and fishing.

All five of the little Beaufaits (all under seven) enjoyed their stay as did Mother and Dad. Richard, Judy and Kathy found a variety of animal life to catch, including fish, frogs, crawfish and turtles. They brought a few of each home to show their playmates and have turned their sand-box into an abode for their catch.

Mr. and Mrs. Erich O. Kurth of Buckingham returned from a trip through the East. It included a drive along the Hudson river, making a stop at Hyde Park and West Point, after which they spent several days in New York City before returning home by way of Pennsylvania turnpike.

Mr. and Mrs. Starr Pearn of Buckingham spent three days attending the SAE convention at Green Briar, W. Va. Two other couples who made the trip were Mr. and Mrs. William Cogswill and Mr. and Mrs. Ralph Wink of Birmingham.

Mr. and Mrs. Adolf Neeme returned to their new home on Auburn drive after a two-week trip which took them to California. The Neemes had only been in their new home about two weeks when they happened into a tourist and motored to Newport Beach, Calif. to put the vehicle into the hands of its buyer, Adolph's brother Emil.

They took their time going out and visited Las Vegas, the Grand Canyon and Boulder Dam along the way. The Neemes spent a week before boarding a plane for home.

UNIT FIVE OF LWV Mrs. Jack Geick opened her Kirkshire avenue home last week to Unit Five of the League of Women Voters for an organizational meeting.

Those present were Mrs. Patrick B. Bruder, Mrs. Robert Dearth, Mrs. Joseph Heidegmann, Mrs. Donald MacGregor, Mrs. Donald S. McGuire, Mrs. Eugene Moore, Mrs. Clyde Reed, Mrs. Chris Sherman, Mrs. Andrew Spiegel, Mrs. Joel Warren, Mrs. John May, Mrs. Robert Adams, Mrs. William Keller, Mrs. Ralph Sharkey, Mrs. R. W. Lotz, Mrs. G. P. Winkel and Mrs. F. M. Allen.

Mrs. Frieda McDonald and Lydia Fingert of Kirkshire were hostesses at a dinner party last week. Their guests were 18 disbursement trustees of the Bell Telephone company.

After enjoying dinner by candle light, Mrs. Maude Hare, guest of honor, entertained the group with movies and slides taken during her seven week tour of Europe this summer.
