### Walnut Lake Woman's Club To Meet Evening of Oct. 5

On Tuesday, October 5, the Walnut Lake Woman's club will meet at the West Bloomfield township hall, on Orchard Lake road, at 8:00 p.m. Topic for the evening will be "Your Crowning Glory", a program put on by hair stylists.

The social committee announces the following hostesses for the meeting: Mrs. Perry Graber, chairman; Mrs. J. F. Keane, Mrs. Ray Eder, Mrs. Robert Myers, Mrs. Frederick Hartman and Mrs. Milton Zoller.

All women in the school district are invited to attend and get acquainted.

Mrs. John Smith, of Westmoor road, held a pyramid card party to benefit the Walnut Lake Woman's Club on Friday, September 17. Dessert was served to four tables of players.

#### REGISTER!

A reminder to all residents that they must be registered by October 4 to vote in the coming election. The township hall on Orchard Lake road is open on Monday through Thursday from 9:00 a.m. to 5:00 p.m., and on Friday till 8:00 p.m.

On Monday, October 4, the Walnut Lake division of the Woman's National Farm and Gardens association will meet at the home of Mrs. R. C. Banker, on Comfort drive, at 1:30 p.m. Speaker for the day will be Mrs. Van Horn, whose subject will be, "Chrysanthemums."

Mr. and Mrs. Henry Jokela have returned from a two month's vacation in Ely, Minn. They stayed at a family cabin on Johnson lake, named for the father of Mrs. Jokela, who was the first to homestead the land in this area.

The Jokelas are planning to build there themselves next year, and their tales of the easy and plentiful fishing, both in that lake and the many nearby waters, give sufficient reason for choosing that spot. There was a Johnson family reunion while they were visiting, which helped make their summer merry.

On their return, the Jokelas entertained Mr. and Mrs. Silver Erdahl, old friends from Clearwater, Fla., whom they had unexpectedly met while driving through Minnesota.

Mrs. Imogene Borglum returned last Monday to teach the sixth grade class at the Walnut Lake school. While awaiting Mrs. Borglum's return from Europe, substitute teacher Mrs. Lina Alexander has been conducting the class.

#### GIRL SCOUTS 360

Girl Scout Troop 360, the group of eighth grade girls, has already held three meetings, laying plans for the coming year, during which the members have decided to concentrate on working for their Curved Bar, the equivalent to being an Eagle Scout in Boy Scouting.

Mrs. Walter Szymke and Mrs. Perry Graber, troop committee members, assisted Mrs. Julian Offenstien in working with the girls.

stitutional Amendment at the fall election, Nov. 2. If it carries, it will make legal this type of "entertainment," the proceeds from which can be diverted to a variety of charitable projects.

The other day the one-billionth steer went into the Chicago Union Stock Yards... and came out in a variety of forms, including, we suppose, some pretty good bologna.

A noted American medical man has just announced that the tremendous increase of ulcers among women is due to "cigarettes, cocktails and the coffee break." (Does he thus remove the male sex as contributors to that unhappy circumstance?)

It is estimated by the U. S. Dept. of Agriculture that Michigan this year will produce no less than 85,190,000 bushels of corn. That crop is excellent, the Dept. failed to report, only by the amount of the stuff sown and harvested by Congress annually.

An item from Scotland states that a noted British foot expert suggests that Queen Elizabeth wear shoes that will allow her royal toes to wiggle. This he argues, will start the fad of having women wear sensible footwear. The world now awaits the Queen's decision.

That 16 year-old Canadian girl who swam 22 miles across Lake Ontario will receive \$20,000 in cash and prizes for her feat. Truly, this is what may be termed a stroke of good luck.

#### Detroit Admits Theft of Battery

Two Detroiters were charged with simple larceny in Birmingham Justice Court Monday.

Arthur Ethridge, who pleaded guilty to theft of a used battery worth \$5 from Bob Adams service station on Hunter at Maple was fined \$10 and \$5 costs.

The same charge against Albert Weeks who was blind, was dismissed.

#### City's 16th Taxi

An additional taxicab license was authorized this week by the city commission. It will be issued to the Birmingham Cab Co., increasing its fleet to eight vehicles, the same number as the Veterans Cab Co.
