when it's **REALLY** cold...
BLUE RIDGE TWEED

Noticed a new chill in the wind lately? Winter's worst is right around the corner, And it's time to think about a new, winter overcoat! Our suggestion is warm-but-rugged Blue Ridge tweed... distinctively and exclusively Hart Schaffner & Marx. The fabric is close-woven for maximum protection... and there's extra wear in the extra twist to its yarns. Styling is the latest raglan-shoulder model. Leather buttons add the final touch of quality.
