"Vive La Difference!"

The difference between
A successful gift and
An unsuccessful gift
Is often the ability of
The good gift shop to carefully
Search the markets
And thus offer gifts which
Make the right choice
A comparatively simple matter.
Plus this, there is a
Distinctly different atmosphere
Which pervades the entire presentation.
When the recipient notes
That the gift nestling there
In appropriate wrappings is
From the shop with a reputation for
Gifts of character and fine quality.
