Pine Hill, New Unit of LWV Holds First Meeting Sept. 14

As Birmingham stretches its boundaries of Community interest more people become interested in the opportunities and obligations that go with good citizenship.

Because of this, the League of Women Voters has formed a new unit named after the Pine Hill subdivision at Wattles and North Adams roads, the residents of which comprise a very civic-minded and active group of young people.

Mrs. Robert L. Stacey and Mrs. Robert Brandon, both of Pine Hill drive, have been named chairman and secretary of the new group respectively.

The first meeting will be held at Mrs. Stacey's home, September 14 at 8 p.m. when a LWV representative will be present to explain the work of the League to old, new and prospective members.

Any and all residents in the area interested in the League are cordially invited to attend.

Plans have been made to have duplicate meetings throughout the Birmingham area, one in the morning, two in the afternoon and two in the evening on chosen days so that there will be a convenient time of attendance for everyone.

Resource people will be trained to conduct Pine Hill meetings and those in other units so that all problems can be considered simultaneously.

For a later unit meeting it is planned to have a representative talk on children's services available in Birmingham.

There are many pertinent questions on the League calendar for the coming year. If you have to miss the first meeting Sept. 14, watch this column for notice of present activities and future meetings of the Pine Hill unit of the League of Women Voters.

THANKS FOUNDATION

Mrs. Walter W. Meinberg of North Adams wishes everyone to know how very much the Polio Foundation has meant to her family.

Her son, Walter H., who has been in Korea since last October, is engaged to Ruth Scheffer of Detroit. Almost two years ago Miss Scheffer was stricken with

she was at home. Now she has completed her fourth month at the Sister Kenny Polio hospital in Pontiac.

The treatments offered there have helped her so much that now she is allowed to be in a wheel chair for two and one half hours every day. All this has been the work of the Foundation. Mrs. Meinberg said she just wanted to say "Thank you."

Mrs. H. F. Meyrick will hold a grand opening of her nursery school on North Adams this afternoon when she entertains forty mothers at tea. They have been invited to inspect her school, to meet her and to meet her assistant and cook.

Traveling has filled the summer calendar of the Harry S. Siegel family of Butternut Hill drive. Mr. and Mrs. Siegel enjoyed a ten day visit to the Muskoka Lakes region in Canada.

No sooner had they returned from this trip when Mrs. Siegel and her son Sandy went to Jamesville, Wis., to spend five days before the start of school.

The family is all home now and Mrs. J. W. Tindler is visiting her daughter. She will remain with Mrs. Siegel until the middle of September when she will return to her home in St. Petersburg, Fla.

The Benjamin Brewster family of Brookdale road have returned from a month's stay at Wild Goose lane, Westport, Mass.

Mr. and Mrs. Paul H. Wood of Mobile, Ala., have been the house

guests of Mr. and Mrs. A. L. Wallwork, 2339 Hunt road. On Monday, Sept. 6, the Wallworks entertained 22 members of the family in honor of their guests.
