HERE'S GOOD NEWS! We can rent an R-S Water-Softener at a cost that's so low we'll be money ahead when our savings on soap and other things are considered.

THAT'S RIGHT! And when we're ready to buy a new R-S Ball-O-Matic we'll get credit for a generous portion of the rent we've paid. IT'S THE BEST DEAL WE CAN GET!

R-S
Ball-O-Matic
WATER SOFTENER

They're both right. The Reynolds Rental Plan is really sensational! You rent an R-S Ball-O-Matic 10,000 Grain Capacity Water Softener for only \$5.25 per month. You control it and regenerate it as often as you want. It's yours to use—just as if you owned it. It will only cost you 13¢ a day (in extreme cases a few cents more) to have all the softest water you need. All the water in your home will be zero soft, and can be used abundantly. Then, when you're ready to buy a water softener, you receive a credit for the rent you've paid to apply on a new R-S Ball-O-Matic (or you can keep the rental unit, at you wish).

You can't afford to be without soft water!
