'Enjoy Eccentric', Say Ex-Residents

To The Editor:
We thoroughly enjoy receiving The Eccentric. It brings us a little closer every week to the home we left so reluctantly a year ago—when General Motors transferred Mr. White to Termostet Coldwater Road plant in Flint. We hope some day again to live in Birmingham should we be that fortunate.

It's WHERE you buy a used car that counts and You can DEPEND on FORD DEALER USED CARS and TRUCKS

It stands to reason a Dealer you can trust sells a used car you can trust.

We Ford Dealers are established businessmen. We don't depend upon used car profits to stay in business, and we can price our used cars at rock bottom. Actually it's good business for us to keep prices low. For we have to make room for a constant stream of trade-ins.

It's no easy matter to write a note each week much less letting them in on all the news they want to know about. So... let THE ECCENTRIC fill in on all the details you happen to miss or that you don't have the time to write about.
