

Mrs. Liles Hosts Wells President

Lone Pine road home of Mrs. M. E. Liles will be scene Saturday of a tea giving students interested in enrolling at Wells college, Aurora, N.Y., and their parents, a chance to meet the college president, Dr. Louis J. Long.

Dr. Long is visiting the Detroit area this week and will talk to Detroit alumnae, including several localities, today.

Mrs. George Talburt of Birmingham as president of the alumnae, will attend with Mrs. Talburt, as will the Alexander of Birmingham and Mrs. Liles.

A visit to Kingswood and to Birmingham High school, and a tour of Cranbrook with Lee White is planned for Dr. Long.

There are about 14 alumnae of

Nab Two for Gas Station Breakin

Witnesses have identified one of two 17-year-olds being held by Birmingham police, as one of the persons who broke into the Triangle Service Station at 1122 S. Woodward, March 20 and took \$19 and cigars.

The same youth was also picked out by Det. Lt. Merlin Holmquist as a prowler whom he chased but couldn't catch March 18 at Grant and Chapin.

The identified youth, who was 16 when the breakin occurred, has been released to his parents pending juvenile court action, Holmquist said.

The other boy, implicated in the station burglary, has been turned over to Berkeley police for prosecution on an entering without in- light charge, a misdemeanor.

Mrs. John Rumsey Wins Women Voters' Election

Mrs. John Rumsey was elected president of the League of Women Voters when the league members gathered at the Community House Monday morning.

Her staff, some of whom are shown with her, includes, left to right, Mrs. R. F. Knudsen, secretary, Mrs. Bernard Magruder, second vice-president, and Mrs. Charles B. Tolle, first vice-president.

Others are directors, Mrs. Henry Jackson, Mrs. Oliver Rodgers, Mrs. Chris Sloan, Mrs. Thomas Snelham and Mrs. Richard Shelley.

The nominating committee, who will suggest next year's staff will be Mrs. Paul Bowers, Mrs. Graham Shinnick, and Mrs. Garvin Bowden.

The new officers and board members entertained Mrs. Peter B. Loomis, retiring president, and her staff, at a picnic the following day at Mrs. Magruder's home in Franklin.

THE LEAGUE'S STUDIES for the year will include water resources and water pollution in Oakland county, municipal government services such as civil defense problems, and health services for Birmingham school children. All studies are with a view to action, according to the agenda

Residents Go South, East

Trips to the south and east have been taken by many Birmingham and Bloomfield Hills residents, especially those with youngsters on vacation from schools.

To mark their twins' 10th birthday on April 16, the Harold Websters of Bates took an eight-day trip to Lexington, and Cumberland Falls, Kentucky, and the Smoky mountains, in Tennessee. The twins are Gary and Ellen Webster.

Mr. and Mrs. Hobart Andree and their son, Don, 1033 Glenary road, were early spring guests at the Homestead in Hot Springs, Va., last week.

Mrs. Lucille Hutchings, a teacher at Quanton school, and her daughter, Debra, have returned from a vacation in New York.

ANOTHER TEACHER from that school, who took a vacation to Florida, came back with the vote.

There were 15,000 voters guides distributed during the year by Mrs. Macgruder's committee, the members learned during the annual reports.

ANOTHER STATISTIC revealed is that 12,000 monthly bulletins and 8,000 other notices were issued by Mrs. Brooks Whipple, office chairman, and her aides, Mrs. J. J. Ball, Mrs. Allan Keys and Mrs. Mark Smith.

Following the morning session and luncheon Mrs. Loomis made her report and introduced her successor.

Until today you might as well have been putting your expensive creams on glass!

MAX FACTOR's new discovery, SECRET KEY throws open the barrier in your skin that's been holding back your creams and lotions!

"WHY is it that women with dry skin—women with oily skin—and women with the problems of blackheads and blemishes, never seem to get the help they long for—even when the strictest beauty routine is followed with expensive treatment preparations?"

For years, we at Max Factor searched for the answer to this puzzling question. And this search revealed the startling fact that there is a chemical barrier in the skin itself that keeps creams and lotions "on the outside looking in"—as though they were smoothed on glass!

This barrier develops when skin lacks correct pH balance. Meaning, it is either too acid or too alkaline. And very few women do have correct skin balance.

We set out to discover a way to break through the barrier—to enable creams and lotions to get through to bring needed help to parched or oil-clogged skin cells.

We found the way—discovered the SECRET KEY—a remarkable liquid formulation which returns the skin to correct acidity, alkalinity balance... and by so doing opens the way through for creams and lotions to do their beautifying work.
