Riverside Club Holds Dance With Spring Fever Theme

"Spring Fever" was the theme carried out at the final party of the season held by the Riverside Dance club on April 16 at the Birmingham Country club.

Three huge window boxes, filled with out-size artificial flowers, caught the eyes of the dancers, and on closer inspection they found artificial bugs placed here and there on the greenery, for a realistic touch.

Butterflies perched on the vines and floral sprays hanging from the chandeliers and the general effect, arranged by Mrs. Ralph Detwiler, made for an appropriately spring-like atmosphere.

The dance was the occasion for the presentation of a corsage to the group's retiring president, Mrs. Leland Rosemont.

About 20 friends and neighbors gathered on April 15 at the home of Mrs. Thomas Fairhurst of 18508 Deansire for a morning coffee.

Mr. and Mrs. William Zehnder announce the birth of a son, William, Jr., at Florence Crittenton hospital in Highland Park on April 1. Someday he may be teased for being born on April 1, but at present William's sisters, Linda and Sue, and his brother, David, are all delighted to have a new brother.

Mrs. F. M. Frucha, 18921 14 Mile road, after spending some time in the family's Ft. Lauderdale winter home, is back in Beverly again. Mrs. Frucha flew back Thursday with Skip, who joined her last week.

Establishing quite a record while on a deep sea fishing trip with her family, Mrs. Frucha hooked a 20 pound flounder and safely landed it.

A flounder makes excellent eating, but they were perfectly willing to let the one that young Skip caught, a fiercely fighting barracuda. The catch, however, gave something exciting to tell his friends back home.

WAKENED BY BOMB

A thrilling travel experience they hadn't counted on also came to Mr. and Mrs. W. E. Duncan who recently moved into their new home at 18300 Riverside drive.

Just for a breather, before starting the strenuous job of settling, they took off for the west coast, spending a couple of weeks in Las Vegas and Los Angeles.

In the morning just before their departure from Las Vegas, they were awakened at 4:30 a.m. by a terrific and frightening noise.

It proved, on investigation, to be the explosion of a hydrogen bomb in an experiment at Yucca Flat, a hundred miles away. They agree that was close enough, and were glad to board the plane which brought them to comparatively quiet Detroit.

Duncan is Chairman of the Board of the Wesson Tool company, and they are members of Red Run Golf club.

GIRL SCOUTS

Girl Scout Troop 333, led by Mrs. William Kreis and Mrs. Ralph Atkin, met April 5 at Beverly school to make favors for the

trays of patients at the new Beaumont hospital.

At their next meeting, Tuesday, April 19 they will make plans for an outdoor meet to be held the end of April when the weather will probably be suitable for a cook-out.

Under the leadership of Mrs. Donald Dietrich of Chelsea, a number of Girl Scouts and Brownies had exhibits at the State Fair Grounds recently.

Frances Green, Sharon Dietrich, and Karen Ashe of Troop 307 had exhibits, Sharon winning second prize and Karen third.

Four Brownies of Troop 346, Jane Husted, Judy Trude, Carol Rhoads and Pam Dietrich, all received honorable mention for their exhibits.

On April 12, Mrs. Dietrich took Barbara Newcomb, Judy Beyer, Debbie DuVall and Sharon Dietrich for a train ride, which was exciting enough, but as a climax they were taken on a tour of the Dietrich for store in Detroit.

Next day Mrs. Dietrich took Judy Trude, Stephanie Young, Marjorie Neese, Cynthia Newcomb and Pam Dietrich on the same junket.

Mr. and Mrs. Dietrich had guests over the weekend. Mr. and Mrs. Charles Black and daughter, all the way from Seattle, Washington. At this time the Dietrich's little daughter, Joyce Carol was christened at Christ Church Cranbrook.
