### Brubaker Family Celebrate Two Birthdays in April

The Dale Brubaker family celebrated two birthdays on two succeeding weekdays.

On April 9 baby Nancy was feted at the home of her grandparents, Dr. and Mrs. Earl Lutz, Lafayette Lane, on her first birthday.

The following week, Paula entertained the neighborhood small fry at her home on South Clunbury road on her fourth birthday. Little girl guests made a pretty picture in pink and lavender, ruffled crinolines and crisp scapular pinafores, and the small boys were very correct in starched collars.

Present were Carolyn and Marjory Marx, Kathy Harpur, Dougie Clayton, Diane Martin, Margo and Mark Moore.

Highlight of the fun was tearing open the presents at which the hostess was assisted by everyone present. The big surprise was a two-wheeled bicycle, which thrilled the whole crowd. Ice cream, cake and favors completed the treat.

#### BRADLEYS HOME

Mr. and Mrs. George Bradley, of Westmoor road, have just returned from a Florida vacation, where they toured the state around the coastline, stopping at Fort Lauderdale, Pompano Beach, Tampa, St. Petersburg and other resorts to enjoy the sun, sand and scenery.

On a trip to a pet shop to purchase a parakeet, they became attracted to a small monkey instead, so their return trip was enlivened by the presence of Chichi (in her cage).

Mrs. Bradley also brought home some tropical plants with which to experiment.

Doreen Lovojan, formerly of Franklin Village, now of Alpena, spent her Easter vacation visiting with former school friends. Part of the week was spent with Judy Button, of East Dartmoor road, and the remainder at the home of Elise Barr, on Meadowdale, in Franklin.

One of our smallest newcomers, Mark Patrick Brieden, son of the Walter Briedens, Jr., of South Clunbury road, arrived on March 30, at Harper hospital in Detroit. Mark, who weighed six pounds, nine ounces at birth, was welcomed home the following week by sister Andrea and brother Christopher.

Mr. and Mrs. Gordon Moakes, of Belgrave drive, entertained friends of daughter Linda at a party to celebrate her eighth birthday last Thursday afternoon.

Present to join in the fun were Jean Hellenberg, Donna Layman, Jeanne Fockler, Lynn and Susan Chesterfield, Joyce Smith, Janice Hampton, Christie Hanson and sister Susan.

Mrs. Reginald Rice, of East

his home with his parents.

Welcome also to Mr. and Mrs. John K. McKee, of West Dartmoor road, who moved from Dayton, Ohio. McKee is manager of the River Rouge district of the Sun Oil company.

The couple have one child, John Knox McKee, Jr., who is four. The family's hobbies are gardening and golfing.

Mrs. McKee is a Tri-Delt from Bucknell university, Pennsylvania, and her husband is a graduate of Muhlenberg college, in Allentown, Pa.

## East Beverly

DOROTHY KELLY MI 4-7771

### Pierce, Queen of Martyrs Brownies Entertain Dads

Brownies of Troops 611, 617 and 358 from Our Lady Queen of Martyrs School and those of Troops 14 and 364 from Pierce school held a Father-Daughter banquet last evening in the Embury Methodist church on 14 Mile road.

Jim Kelly was Master of Ceremonies for the evening and Mrs. John Johnson was chairman with Mrs. Thomas Devine, Mrs. Charles Roudau, Mrs. Marx Fall, Mrs. Robert Forbes, Mrs. George Knopf and Mrs. Don Dailley assisting.

Next Wednesday, Pierce school troops 321, 309, 356 and 531 will hold their banquet at the Embury Methodist church with Stan Kelly acting as master of ceremonies.

Kathleen Grace Kelly was hostess to four neighborhood friends at a luncheon in her home on Auburn drive Thursday afternoon. Her guests were Kathleen Quinlan, Patricia Taggart, Penny Casle and Peggy Cummins.

Mr. and Mrs. George Murphy and their daughter, Mary Ann, re-

turned home Sunday after spending the past two weeks with Mrs. Murphy's parents, Mr. and Mrs. George Johns in Pekin, Ill.

#### VISIT IN OHIO

Mr. and Mrs. E. R. Driscoll of Wetherby and their daughters, Colleen and Kathy, spent the vacation in Ashtabula, Ohio, visiting the senior Driscolls.

Kathy was four years old the day after Easter, so Grandmother Driscoll gave a party for her, inviting Kathy's cousins.

W. Claude Johnson was the houseguest last weekend of his brother and sister-in-law, Mr. and Mrs. John Johnson on Arlington.

He returned to his home in Fairfield, Conn., Monday morning.

The busiest place in our neighborhood right now is Mrs. Howard Riemann's home at 31740 Glencoe, which is serving as a sort of fort in the war against Polio.

All the vaccine, syringes, needles, sterile cotton, and alcohol waiting to be distributed to Oakland county schools for inoculations are stored there. Mrs.

Riemann is chairman of the project, and Mrs. Floyd Reynolds of Verona Circle attended a buffet dinner Friday evening in celebration of the 50th wedding anniversary of Mr. and Mrs. Julius Werner.

#### BIRTHDAY FETE

John Garrett, son of Mr. and Mrs. Jim Garrett of Lochebie, celebrated her tenth birthday recently with a dinner party. Her guests were Andrea Pierce, Jane Upward, Pam Pocock, Judy Lambie, Marion Woods, Carolyn Naylor, Kathy Smith, Mary Sharon Sempowski, Barbara Moore, Janet Stiff and Margaret Evans.

Mr. and Mrs. Garrett's older daughter, Kathy, spent Easter vacation at home with her family and took the opportunity to visit old schoolmates.

Kathy is attending St. Joseph academy in Adrian.

Mr. and Mrs. John Naylor and their daughters, Ginny and Caro-

lyn, returned to their home on Sheridan Saturday after spending Easter holidays visiting in their old home town, Kansas City, Mo. While there, they were the guests of Mrs. Vail Stevenson.

Lynna Jane, the 11-year-old daughter of Mr. and Mrs. Garnet Mills of Kirkshire, returned home Sunday from a two-week stay in Florida where she went as the guest of Mr. and Mrs. Robert Bunyan and their daughter Mary Lou of Larchies, in Birmingham.

The party motored to Pompano Beach, Fla., and tried to get in as many sightseeing tours as possible for the two girls.

Mr. and Mrs. Mills not wanting to be alone, spent the holidays in Lindsay, Ont., as guests of Mr. and Mrs. Kenneth Griffin.

Thousands of people read The Eccentric Classified Ads. So remember, if you want to sell that hard-to-get-right article, advertise it in the Want Ad section of The Birmingham Eccentric.

# What does the Polio Vaccine Report mean to you?

A message of importance from The Wilson Drug Company.

A day long awaited has come at last! Nearly everyone now knows the great good news—the vaccine tested last year by the National Foundation for Infantile Paralysis will protect you and your children against polio.

Thanks to the wholly unprecedented teamwork between the public, the world of medicine and pharmacy, our children—and millions yet unborn—may be spared the crippling cruelties of polio.

Here are answers to some questions that are uppermost in the minds of all parents:

**Q. Who will get the vaccine to be distributed by the National Foundation in 1955?**

**A.** The National Foundation has announced that children in the following groups will be offered the vaccine:

1. Children in all communities who are enrolled in the first and second grades of public, private and parochial schools as of spring, 1955.
2. All children who were enrolled in the first three grades of schools in the 217 test areas at the time of the 1954 vaccine field trial, but who did not receive vaccine.

**Q. What about Birmingham school children?**

**A.** In the Birmingham and Southfield districts, the plans are for clinics to be opened May 7th. Request for participation of eligible children must be made by parents before April 30th.

**Q. What about safeguarding other children?**

**A.** This year there will be about 50 million youngsters in the most polio-susceptible age groups 1 to 18 years. According to the National Foundation, about 9 million will get the Foundation's vaccine. There will be additional vaccine available for others through their doctors.

**Q. How can you get the vaccine for your family?**

**A.** Temporarily, at least, there will not be enough vaccine for everyone who wants it. The licensed vaccine produced, over and above the National Foundation's supply, will be available through physicians. If you want your children or other members of your family to have the polio vaccine—consult your doctor. While the vaccine is now available to the Doctors only in very small quantities, you can rest assured that WILSON DRUG CO., as well as the other Pharmacies in our community are making every effort to help and maintain a fair and efficient distribution of the limited supply.

#### The triumph in the making

The polio vaccine was no sudden flash of discovery. It was, rather, the result of a concerted attack spearheaded over the years by the National Foundation with March of Dimes funds contributed by millions of generous Americans—Thus it has brought us this great moment in the drama of medicine.

It takes about three months to make and test the vaccine. And the amount required for the 1954 field trial posed a tremendous problem in production. We give highest praise to Parke, Davis & Co. whose laboratories in Detroit, produced the first trial vaccine to supplement the original supply produced by Dr. Jones E. Salk at the University of Pittsburgh for the 1953 "pilot test." And so, for the nationwide field trial in 1954, the National Foundation entrusted the vaccine production job to Parke-Davis and five other manufacturers whose laboratories are in other parts of the United States. Working closely with the National Foundation, Parke-Davis set the pace by producing a major portion of the field-test vaccine.

#### What's ahead?

Polio is on the way out. But a big job lies ahead—to provide enough vaccine to protect everyone. Meanwhile, scientists everywhere, including those in the pharmaceutical industry, will continue the never-ending search for new and improved anti-virus weapons.

And so, we salute the National Foundation, the millions who have supported it through the March of Dimes, and the children who became "Polio Pioneers" in 1954.

Since 1923, the Wilson Drug Co. has been serving Birmingham, always aware of our moral and professional obligations to this community.

On this, our 32nd Anniversary, we wish to thank our many friends who have made the past thirty-two years successful, and allowed us to provide the utmost in a modern pharmacy for this community.
