

North, South Trips Taken by Localites

While many, like the E. J. Anderson and the William E. Hartman, Jr., families have returned to their homes after summer holidays, still others are just starting their hot weather vacations.

Mr. and Mrs. Anderson and their daughter, Marynell, returned to their Bloomfield Hills home at the first of August, after being at their cottage at Belair in Antrim county since June.

While there, another daughter, and son-in-law, Mr. and Mrs. Harold J. Stenglein, Jr., who have been making Saginaw their home since their February marriage, visited them at the lake-side resort.

THE HARTMANS, also entertained by Mrs. Robert E. Lee, III, during their two-week vacation at Flat Rock, N. C., with Mrs. Hartman, Sr.

Invited to tea by Mrs. Lee, whose husband is a direct descendant of the civil war general, the couple were among the many guests, including the town's many retired army officers, who met the ambassador of the Union of South Africa, and Mrs. John Holloway.

"It was just like the pictures of the 'Old South,'" recalls Mrs. Hartman, who says she has never been entertained so graciously at such a beautiful party event, though she lived in the South in Alabama before her marriage.

SHE DETAILER, "There were the ladies in their black suits with white hair, and everything just like during the Civil War. Mrs. Lee has collected many of the

things that were the general's." Mr. and Mrs. Hartman, Sr., who used to live here, have a Flat Rock home, and father and son operate the William F. Hartman and company advertising firm in partnership. The Senior Hartman was in Detroit while his son's family

vacationed. **BRIDGE CLUB** members were guests of Mrs. Carl Black at the Blacks' Willow Lake cottage last weekend. Since Mr. Black was having to remain home, Mrs. Black and their two daughters, Helen and Carol, decided to back the women

guests were Mrs. Preston Weir, Mrs. H. L. Brostenstein, Mrs. H. B. Stubbs, Mrs. George Tierley, Mrs. LeRoy Keifer and Mrs. O. L. Beardsley.

LOOKING FORWARD to long days in the scenic Teton mountains and to cool nights of about 40 degrees are the C. R. Obermyers of Kenosha.

The couple left on Saturday by plane for Salt Lake city and were to drive north from there to visit friends at a ranch in Jackson Hole, Wyoming, 50 miles from Yellowstone. They had visited there last summer on a western tour.

MRS. HARRY AUBREY TOULMIN, JR.

Mr. and Mrs. Toulmin Honeymoon in Canada

Christ Church Cranbrook was the scene of Friday evening rites which united Ann McDonald and Harry Aubrey Toulmin, Jr.

She is the daughter of Clifford J. McDonald of Birmingham. Her husband is the son of Mr. and Mrs. Harry Aubrey Toulmin of Mobile, Ala.

The Rev. Harry E. Williams performed the 8 p.m. ceremony. The bride wore a fingertip length, Ann carried a bouquet of stephanotis centered by a white orchid.

The bride's sister, Sally

attended, wearing a long length blue, tissue taffeta dress and carried bouquets of white Fujiumas.

Best man was John H. Luras of Birmingham. Seating the guests were Sam B. Williams, William E. McTavay, John McDonald and Dean Firth.

A reception at the Orchard Lake country club followed the ceremony.

When the couple left for a motor trip to Canada, the bride was wearing a navy imported Italian cotton tuxedo suit with navy and red accessories.

When they return in Sept., the couple will make their home in Birmingham.

Cadillac

Figures He's Waited Long Enough!

The long-striding, fast-moving man you see in this picture has made the right decision at the right time!

For the past year or so, he has been thinking about a Cadillac—and he has finally made up his mind.

He is through with compromise and doubt. This time, he is going after the real thing!

And how lucky he is that he made that decision today! For wonderful news of a special nature is waiting for him.

He'll find, for instance, that Cadillac ownership is far more practical now than ever before. He'll learn, in fact, that the lowest-priced

Cadillac can be purchased for little more than he might expect to pay for a goodly number of the so-called medium-price cars.

He'll also find that his dealer—is able to offer him a generous allowance on his present car.

And he'll discover that, because of Cadillac's greatly increased production during the current year, he can take title to his new Cadillac after a surprisingly short waiting period.

And all these special inducements, of course, are in addition to the other great Cadillac virtues—such as legendary dependability and long life... remarkable economy of upkeep

and operation... and traditionally higher resale value.

All in all, he's walking in on the motor car opportunity of a lifetime!

And how about you? Have you been postponing your dreams of a Cadillac?

If so, there's no reason to wait any longer. Come on in and see us. Let us put you behind the wheel of a Cadillac... and give you the whole, wonderful story of the "car of cars." We think you, too, will decide that you've waited long enough!
