Cruise Takes Local Family North to Georgian Bay

For the last three years Mr. and Mrs. Donald Shank, of Inkster road, who have spent their vacations cruising on the Great Lakes, this year had daughter Marilyn as guest on the 30-foot cabin cruiser, the Conge, belonging to Mr. and Mrs. Melbourne Lae, of Grosse Pointe.

Daughter Barbara was a passenger on the 22-foot cruiser, Sociator, as the guest of Dr. and Mrs. Harold Herbst and their children, Ronnie and Carol.

With three weeks of perfect weather, the two parties cruised to Georgian Bay, and tied up for a week on the French river, near Lake Stissing, for fishing and swimming. Coming back they spent a couple of days each at Killarney and Tobemorey, and made overnight stops at Southampton, Goderich and Port Sanilac.

Shortly after the family's return home, Barbara had a prom-night party for the high school crowd. Some of the girls stayed overnight for a pajama party.

Bloomfield Farms residents are welcoming new neighbors, Mr. and Mrs. Carl Louison, of South Clumbury road, who moved into their new home last week. The Louisons, natives of New York state, who have lived in Berkeley for the last three years, have two children, Betty, 9, and Kurt, 7. The youngsters will enroll in the Walnut Lake school next month.

Louison is manager of the Detroit branch of Commercial Controls corporation, of Rochester, N. Y., manufacturers of business machines. Mrs. Louison has been active in P.E.A. scouting and as a member of St. James Chapel of the Episcopal church in Berkeley, which is sponsored by the Birmingham church.

The family took their vacation in June, when they had a cottage at Silver Lake, near Rochester, N. Y., and visited in Rochester, Watkins Glen and Buffalo.

NEW NEIGHBORS

Welcome to Dr. and Mrs. Courville Morrow, of Putnam drive, who moved here with their family of three in June. Richard, 11, Carol, 7, and Judy, 5, will all enroll in the Walnut Lake school.

The family moved here from Berkeley, where Dr. Morrow, a chiropractic physician, maintains an office, and have since been enjoying the fishing and swimming at their lakeside home. Dr. Morrow is a member of the Rotary club of Berkeley, and of the Oakland County Chiropractic association.

The Morrow's former neighbors surprised them soon after their move out to Walnut Lake with a combined farewell and housewarming party. Several couples from Royal avenue in Berkeley brought all the makings for a champagne party with them, together with a gift chaise longue for their yard. Since getting settled, the busy Mornings have made their annual trip to the east shore of Green Bay, Wis., where Mrs. Morrow's family, the Einertys, own five adjoining cottages for two weeks around the Fourth of July. This gives the scattered members of the family a chance to catch up on

For the third consecutive year Joyce Bell, daughter of the John Milwaukees, who they stayed with at Stratford, Ont., attending the Shakespearean Festival.

In this pretty village, where the townspeople put forth every effort to welcome out-of-towners, who flock there, Joyce stayed long enough to see three different plays. She says that this year's cast and costumes were both outstanding.

The Arthur St. Clair family, of East Hartwood road, has just re-
