## May Join Southfield

LATHRUP—In a discussion of the Evergreen interceptor sewer, councilmen expressed an opinion that Lathrup might possibly join forces with Southfield township in sewage disposal. This action will get top consideration should communities north of 14 Mile form their own sewage disposal authority.

## C. L. Walkers Visit Native Scotland in Sports Car Tour

Mr. and Mrs. Charles G. L. Walker of San Jose have just returned from a flying trip to their native Scotland. After a family reunion with Mrs. Walker's three sisters and Mr. Walker's two brothers, they toured the highlands in a Riley sports car borrowed for the occasion.

Following narrow roads in the little car, their itinerary carried them from Inverness, the capital of the Highlands, to Loch Ness and a hunt for the famous monster. Traveling over the Cairn Gorm and the Grampian mountains to Braemar they visited the royal family's summer retreat, Balmoral Castle.

A trip down picturesque River Dee brought them back to Prestwick airport and reunion with their neighbors of 20 years. Dr. and Mrs. F. K. Daines, who were their companions on the flight home.

While her parents were away, Joan Walker flew alone to Temple, Texas on her first air trip to visit her uncle and aunt, Mr. and Mrs. F. S. Walker. With three cousins Joan rode, swam at the country club and enjoyed the Walker's new cabin cruiser.

From Pensacola, Fla. Mr. and Mrs. M. T. Borelli and family are visiting the F. A. Bingtons of San Diego drive. Mrs. Borelli, the former Marilyn Bington brought baby Anne, already one year old, to meet her grandparents, while Pat S. Mike 5, and Theresa 3 are becoming reacquainted.

Cathy Wolgast, daughter of the C. F. Wolgasts of Sunnysburg avenue has as her houseguest Joanne Brown of Montreal who will visit with her until Labor Day.

## VACATIONERS

Like Mary's little lamb, the J. A. Kronmeyer boat the "Kale" follows wherever they go. Riding high on the trailer behind the family car, the "Kale" slips easily into any river or lake the Kronmeyers choose to explore. For a different vacation to spots not easily accessible by car, the family recommends their boat-car trips. Making the Statler hotel their headquarters, Mr. and Mrs. E. A. Viale and daughters, Joan and Sue, visited New York City this summer. The girls climbed to the top of the Statue of Liberty, saw a telecast of "Who Said That" and were thrilled by a visit to famous Coney Island. It was so interesting and so much fun that the entire family is looking forward to another visit next year.

Mr. and Mrs. K. F. Labarge, Ken Jr. and Sue, returned home Saturday after a week of vacationing at Platt Lake, near Beulah. Ken Jr. left Sunday evening for the United States Naval Academy, Annapolis, Md.

Mr. and Mrs. John Adams and their daughter Judy, of San Jose returned home August 8 from Crystal Lake, near Beulah, where they spent three weeks. While they were there, Judy was given a Cocker puppy, which she named "Chick", after Crystal Lake.

Have you heard that the R. L. Whiting of Cambridge road have a new daughter? Now six weeks old, Margaret Mary was presented to the Whiting when she was eight days old.

She is a strawberry blond, weighing 10 lbs., and very much adored by her new family. Sister Kathleen 7, just can't understand that Margaret isn't a big doll to be played with, but she is learning and becoming quite a helper when it comes to running and fetching.

## Tractor, Equipment Purchase Approved
