MRS. JOHN F. TERKEURST

The Birmingham Eccentric

*Few people desire to live the lonely lives of hermits. By nature, most of us like to be with others. That means we need to have friends. To have friends, one must be friendly; making friends is a high art.*

August is Popular Month for Brides

June is losing some of its favor as the traditional wedding month, as young couples set dates for late summer and early fall.

The trend of later weddings gets underway this week for the Birmingham area with nearly a dozen couples exchanging vows.

Summer trips and stays at cottages influences at least one of these which was performed in the church near the summer cottage of the bride's parents at Lake Macatawa.

Honeymoons will include travels to Virginia, California, the new England states and Muskogas in Canada.

Many of the newlyweds will go direct to their new homes, a decision brought about by young husbands returning to the college campus or army camp.

Future addresses for some will be at Ft. Benjamin Harrison, Indianapolis, Lansing, Brighton, Mass., and Virginia.

Wedding details of brides pictured on this page will be found in sections two and four.
