ACCEPTING the check from Mrs. Matthew Cammerari, right, is Miss Lois Anderson, superintendent of hospital services at the Sister Kenny Polio hospital, Farmington.

Woman's Club Contributes To Sister Kenny Hospital

The highlight of Tuesday's meeting of the Birmingham Woman's club was the presentation of a check to the Sister Kenny Polio hospital at Farmington, accepted by Miss Lois Anderson.

The donation will buy a lift for a polio patient. The lift was designed and sold by a tool and die maker, a former patient at the Herman Kiefer hospital.

The lift can handle a patient with the aid of one person, such as taking the patient from a wheelchair and placing him in bed or the bathtub, which ordinarily requires the assistance of two or three nurses; also, has a scale for permitting weighing, which alone is considered a big job.

FOR THE afternoon Christmas program, telling a tale filled with touching incidents, in the life of a blind Gypsy child was Mrs. T. Melbourne Roberts of Ypsanti, Birmingham.

Also on the program was the Keynote. Musicals presenting two versions of music—solo piano and combined music.

Entertainment at the Community House was followed by a tea arranged by Mrs. Frank Russell, Chairman of the day was Mrs. Floyd Franklin and arrangements were done by Mrs. Frederic Lines.
