Birmingham's Shop of Books, Stationery & Gifts

Lifeguard steering wheel has deepcenter construction to keep you safely way from steering post in case of accident. Rim is mounted above recessed steering post . . , "cushions" your chest on impact. New Lifeguard mirror "gives" on impact . . . resists shattering.

keep doors closed, even under severe impact. And statistics prove that if you stay inside the car in an accident, you're door locks resist stress from two directions instead of the usual one.

Optional nylon seat belts offer you 3-way security. They give your children far more protection in case of sudden

Optional Lifeguard padding on instrument panel and sun visors not only reduces possibility of injuries, but in many cases prevents them altogether! It's five times as shock absorbent as foam rubber. Come in and see all of Ford's Lifeguard safety features, soon.

The fine car at half the fine-car price!
