## Injuries Result From Collision

A 17-year-old Birmingham girl received minor injuries in an auto accident at West Maple and Arlington roads last Thursday.

Beverly Ostermeyer, of 948 Benneville, was treated at William Beaumont hospital for cuts on the forehead and leg, and later released.

Police reported Beverly was a passenger in a car driven by Philip H. Dafoe, 17, of 776 So. Worth, Birmingham, when it struck the rear of a second automobile driven by Ezekiel Howard, 33, a waiter residing at Bloomfield Hills country club.

Howard, driving east on Maple, was stopping behind an unidentified motorist who turned left without signalling. Police stated that Dafoe was unable to avoid colliding into the rear of Howard's car.

## *Police Reveal November Total Of Accidents*

November accident figures showed a slight improvement over October's all-time high, Police Chief Ralph W. Moxley stated in revealing that 68 accidents and property damage estimated at $14,202 occurred last month in Birmingham.

"Following too closely" was again number one of the city's auto accident causes, listed in 22 November accidents. Driver failure to yield the right of way was the second cause contributing to 14 of last month's accidents.

CHIEF MOXLEY warned drivers to be exceedingly alert for other motorists and pedestrians during December, which, he pointed out, "is usually the most hazardous month of the year."

October's peak total numbered 71 accidents.

## New Co-op Nursery Opens Registration

It is located in the Forest Hills United Missionary church on 12 Mile road, one block east of Orchard Lake road.

At present, 20 3 to 5 year old children meet from 9:15 a.m. to 11:45 a.m. on Mondays, Wednesdays and Fridays.

REGISTRATION is now open for a second session to be inaugurated Jan. 4. This session will accommodate an additional 20 children.

Further information can be obtained from Mrs. Ruth Clark, membership chairman.

The Mayfair cooperative nursery would be glad to call for useable excess toys and put them to active use by 20 active youngsters.
