

# Zack-Benjamin Vows Said in Village Chapel

Martha-Mary chapel in Greenfield Village was the scene of the wedding of two Birmingham Eccentric staff members, Dorothy Jean Benjamin and William F. Zack on Saturday afternoon.

The bride wore a white wool jacket-dress of nubby knit as she was escorted to the altar by her father, Herbert E. Benjamin. Her parents came from their year around home on Mackinac Island for the rites and the reception later in the Fox and Hounds apartment where the bridal couple will make their home.

The bridegroom is the son of Mrs. William F. Zack, Sr., of Royal Oak, and the late Mr. Zack. DOROTHY'S accessories were a spangled gold and beige hat and gold colored gloves, with a corsage of yellow roses. The bride and bridegroom were attended by the bride's brother and sister-in-law, Mr. and Mrs. Robert E. Benjamin. Mrs. Benjamin wore a light blue suit and navy accessories, with yellow roses.

Benjamin, wore a pink suit and brown accessories for the rites, while the bridegroom's mother wore a beige suit with brown accessories. Both mothers had corsages of carnations, white and yellow, respectively.

Ushers were Robert Wilkie of Dearborn and Norman Douglas of Clawson.

#### WINTER FUN?

Emphasizing the advantages of a Florida vacation, that crackling sound you hear is the snapping of the bones of those of us who elected to enjoy our winter sports at home.

Chief Dixon is laid up with a leg broken just below the knee while ice skating. Jeff Pasfield was hospitalized when he broke his collarbone in two places in a tobogganing mishap; he has since returned home.

Jo Reinhart is recuperating, too, from a broken ankle. Among the younger set, 14-year-old Bob King is back at school on crutches after a week at home while a torn leg muscle, suffered in a tobogganing accident, was being restored.

Ten-year-old Ebba Hierta has recovered from a concussion occasioned by a bad fall while ice skating. Daughter Angela Ann Dadson is in her fourth week of a projected six weeks of crutches and a cast on her right leg, which she broke by falling back on it while skating.

There seems to be an unusual number of winter sports mishaps in these parts this year, so take heed.

### 'House Dollars Do Yeoman Duty,' Reminds Chairman

What will donations to the Birmingham Community House annual Roll Call drive do for the "House With A Heart?"

Russell B. Robins, chairman of the 1955 campaign, pointed out some interesting facts about what your money will buy for the Community House.

From a small gift of \$2.10 up to \$450 each amount will have some specific use, he said.

The \$2.10 will provide three squares of sound-proofing material for the new craft room. A donation of \$4.50 will pay for a new chair for the auditorium, and Robins said 300 new chairs are included in the 1955 budget.

"WE'VE POSTPONED replacement of the auditorium chairs, but now we're faced with an acute public relations problem, our chairs snag the stockings and clothing of our best friends—so, we must buy new chairs this year," he advised.

A \$5 donation provides one card table, while \$10 covers the fire insurance for four days. It takes \$25 for an acid-resistant sink for

the craft room. The banquet tables for civic luncheons and the popular Thursday night suppers cost \$41.

ALTHOUGH NOT many persons here are thinking of summer right now, the Community House must be prepared for the hot days next summer and it takes \$100 for an auditorium pedestal fan.

The Community House kitchen is in need of remodeling and the new range will come to approximately \$360, Robins added.

Think painting the outside of your home was too expensive? To paint only one side of the Community House exterior takes \$450.

With a goal of \$52,400, Robins asks that every area resident register his pledge card or donation as soon as possible so the Community House staff can begin the many useful projects scheduled for 1955.

#### Travel Movies

LATHRAP — The Lathrap Civic League will present two travel movies at the Thursday, Feb. 10 meeting in the Lathrap school auditorium, "America For Me," a technicolor film of outstanding locations in this country, and "Flying with Arthur Godfrey," an Eastern Airlines color film, will be shown at the meeting which starts at 8 p.m.
