## Hostess Club Plans March Luncheon and Fashion Show

A meeting of the West Beverly Hills block hostesses will be held at the home of Mrs. Charles Clark, 18255 Birwood, Tuesday, Feb. 15. At that time further plans will be made for the luncheon and fashion show to be held at the Birmingham Country club March 17. With this only a month away, the committee will start work at once preparing decorations which will be used at the luncheon.

Riverside drive was a busy place around the Zebedeo home at 19400 Saturday night, Jan. 29 when Mr. and Mrs. Zebedeo entertained the University of Minnesota Woman's club members and husbands at a cocktail and dinner party.

There were 70 guests and following dinner, Mr. and Mrs. Kenneth Costley of Grosse Pointe showed colored movies of their trip to Europe, including Spain and Portugal. Costley's pictures were three-dimensional and Mrs. Costley acted as narrator, making it both informative and entertaining.

Bill Zebedeo, who last week had passed his first test for Naval ROTC, is now back from Chicago having successfully passed his physical exam.

**BOY SCOUT WEEK**  
This being Boy Scout Week, many special appearances of Troops in uniform were made at various churches. Scout Troop B-2 attended morning service at 9:30 at the First Methodist church. Troop B-32 followed for the 11 o'clock sermon. Rev. Allen Wittrup delivered the sermon at the first service and Dr. Arnold Runkel presented an appropriate message on "Earning the merit badges of life" at the second.

Troop B-29 attended morning service at Our Lady Queen of Martyrs church. In the afternoon they were at Blessed Sacrament Cathedral in Detroit where three of the boys received the "Ad Altare Dei" award. This is the highest award given to Scouts in the Catholic church. The following boys are proud to have this achievement to their credit, Richard Gruez, 16969 Dunblaine, Chas. Hartner, Jr., 12847 Beverly, and Lawrence Obrecht, 18169 Birwood.

A CWA artist was commissioned to paint murals in the reptile house at the Natural zoo. He turned to admire his work and discovered an energetic lizard climbing up a tree trunk neatly painted on the side of his cage. "Come—come—love," shouted the artist to Dr. William M. Mann, the zoo director. "How's that for art? Even fossils the lizard!"

**CUB SCOUTS**  
The Cub Scouts held a pack meeting at Beverly school Monday night, Jan. 24 with an especially interesting program. William Bricker, chairman, being absent, King Rubly was in charge. The subject for January being railroads, that for

## South American Motif Highlights Player's Frolic

Inspiration for decorations at the Playhouse Players' Frolic is coming from the Incas of Peru and Chile, according to Mrs. Stanley R. Hood and Mrs. John A. Parks, who, with Mrs. Wallace R. Ivers are arranging the South American setting.

The party is planned for 9 p.m., when brilliant colors of exotic South American flowers will highlight the warm stone tones the committee is using as characteristic of Inca architecture.

"Players will think they are among the remains of Inca civilization in the central highlands of the Andes," the committee promises.

THEY ARE copying the gigantic stone structures of the Inca capital, Cuzco in Peru along with many of the symbols used by the tribes. Mrs. Hood and Mrs. Parks are planning an impressionistic treatment of the Inca god of the ceremonial dance surrounded by symbols representing the Players' anniversary.

An Inca temple of the dance will be the background for the presentation by the Arthur Murray studio at 10 p.m.

"PREPARING the Player's 'perro caliente mambo' at their homes will be Mrs. William E. Kegel, Mrs. Howard C. McDonald, Mrs. John J. Klemp and Mrs. Ivers.

Judges picking the best costumes will be Mrs. Charles D. McCall, Mrs. Clement A. Penrose, Jr., and Walter F. Herdrich. Mrs. William R. Candler is in charge of stage arrangements with H. J. Churchton, Jr. planning the music.

A Latin-American colleague tells how a business man in one of the "banana republics" wrote a letter placing an order for an engine capable of a thousand revolutions a minute. The letter was intercepted by government agents, whereupon the business man was called before El Presidente who said: "One revolution a day we can handle, but a thousand revolutions a minute—too much."
