Hep Cats and Cool Cats, Only Katz Omitted in Bowling League

It's a close race in the Lathrup Women's Bowling league this season. On Feb. 8, at the start of bowling, the White Katz team held a three-game lead over the tied Frisky Katz and Angora Katz who are tied in second place.

Bowling with the first place team are Mrs. Frederick Rea, Mrs. J. C. Finnell, Mrs. V. E. Blue, Mrs. T. G. Tate, and Mrs. E. H. Nelson. League Mrs. S. J. Slavik who carries an average of 152, bowled 119 pins over average on Feb. 1, which places her second high in the individual series, while Mrs. G. C. Spencer still leads with her 525.

Watch those bowlers who are substituting in Birmingham with the Pine Lake Bowling league. With all that extra practice there should be a change in averages. Out bright and early Tuesday mornings are Mrs. H. A. Humphrey, Mrs. J. C. Finnell, Mrs. A. G. Billedson, Mrs. A. J. Brien, Mrs. R. J. Gannon, Mrs. W. E. Dymant and Mrs. L. P. Bourhian.

DOUGHNUT SALE

For that Sunday afternoon snack, Mrs. Charles Bradburn, chairman of the newly-formed St. Ann's Guild of St. Bede's church, announces a homemade doughnut sale to be held after all masses on Feb. 13.

Meeting for the first time on Feb. 3, the Guild held their election of officers and swung right into

their first project. Mrs. Vincent Hayes will work with Mrs. Bradburn as secretary-treasurer of the Guild.

Looking forward to an evening of games and dancing, Girl Scouts of Troop 163 will celebrate Valentine's Day on Feb. 12. The girls have planned their own games and snacks, and have asked classmates to attend the party with them.

Along with their Valentine party, the troop has a one-act play in rehearsal, and will start working on another today. Coached by Mrs. T. A. Gibbs, the plays will be presented at tea for mothers scheduled for the month of March.

WELCOME NEWCOMERS

Welcome to the Earl Barringer family who recently moved into their new home at 2801 Eldorado avenue from Detroit. Barringer finds travel much quicker and easier to the General Motors Technical Center where he is employed as an engineer. The arrangement, Leland, 11, Peggy, 8 and Earl Jr., 3 will attend Lathrup school. (Note to Neighborhood chairman: Mrs. Barringer loves Brownie work.)

The new neighbors at 2801 Eldorado avenue are Mr. and Mrs. Fred H. Pike. Their attractive home was built by Mr. Pike and is traditionally furnished with walls and carpeting in soft jewel tones, accented by polished woods and Mrs. Pike's window garden.

Mother of two grown sons, Mrs. Pike has a hobby that should entertain the little neighborhood girls—making and dressing rare and unusual dolls.

As timekeeper for the Detroit Red Wings, Pike would make a fine guest challenger for "What's My Line."

GIRL SCOUTS PLAN BANQUET

Intermediate Girl Scout leaders met Wednesday, Feb. 1 with neighborhood chairman Mrs. F. R. Fleischer to make plans for the annual Girl Scout father-daughter banquet.

Perhaps he doesn't realize it, but it's a thrilling thing to have a date with Dad! and, surprisingly, Dad always has a lot of fun too. The banquet will be held at Community church, Lathrup Tuesday, March 15 at 6:30 p.m.

Because they will be celebrating the birthday of Juliette Daisy Low, each girl will make two white daisies with large yellow centers, one for herself, and one which she will pin on her father. To keep Dad from being lost in the shuffle, his name will be printed on the yellow center of his daisy.

Each Scout will bring her own basket or box with dishes and silver for herself and her father. At a ceremony following dinner, each troop will present pennies for the Juliette Low World Friendship fund. It is customary for Scouts to contribute one penny for each birthday she has celebrated.

Square dancing and skits have been planned for the balance of the evening. Attending the program meeting were Mrs. W. J. Owen, Mrs. Bill Boyd, Mrs. Walter Henning, Mrs. T. A. Gibbs, Mrs. R. G. Post, Mrs. Richard Shibley, Mrs. D. M. Hines, Mrs. R. M. Ewart, and Mrs. G. W. MacLachlan.

The Lathrup Men's Bowling league held their annual dinner dance on Saturday at the Bonnie Brook Country club. The program committee included Mr. and Mrs. Clyde Ickes, Mr. and Mrs. Charles Gorman, Mr. and Mrs. Helmut Krippendorf and Mr. and Mrs. C. A. Furstenberg.

Several groups of members and their wives attended cocktail parties at various homes before attending the dinner at the club followed by an evening of dancing.

Dear Frank:

B. F. Chamberlain Real Estate Co. believes that the advice of a Realtor like that of a lawyer or physician must be unprejudiced... even brotherly fraternal at times. Otherwise the Real Estate Broker is of little value to the potential seller.

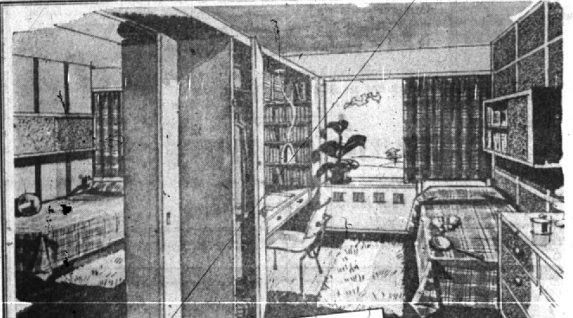

Selling prices must be set according to basic appraisals and a thorough recognition of the law of supply and demand.

I believe the B. F. Chamberlain Co. has been successful not only because of intelligent appraisals but because this office has dared to tell the truth without fear or favor to the inquiring seller. Thus, many times at the loss of a listing. The policy has been to "show for the line and let the chips fall where they may" in order that a satisfactory selling price can be established.

B. F. Chamberlain Real Estate Co. is engaged in a business in which absolute candor and integrity are of prime importance, not alone with clients but with other Realtors in the Real Estate business. Ethical practices and establishing and maintaining a good reputation are so closely interwoven as to make separation impossible. Goodwill, like a good name, is won by many acts—most lost by one.

Cordially yours,
Calvin Chamberlain
