300 Attend Beverly PTA Benefit Fashion Show

The big PTA Benefit event at Beverly school is over and it was a huge success, with 300 in attendance at the Community House Wednesday night, Feb. 16. Mrs. R. D. Detwiler, acting in charge of decorations, was well pleased with the work of her committee, and guests said they had never seen finer results.

The table decorations were pink, silver and white and matched the wrapping of the door prizes. Mrs. Norris Host, 1829 1/2 Bedford, had charge of the fashion show. Models who wore the newest spring styles were Mrs. Philip Detwiler, 18200 Kirkshire, Mrs. Peter Decker, 32210 Rosewood, Mrs. Donald Dittich, 19000 Chelsea, Mrs. Larra Mima, 18894 Beverly road, and Mrs. Charles Granader, 18250 Riverside.

The table, laid with a lace Valence, resembled a huge Valentine. The center piece was a Valentine shell cake, flanked with white milk glass candle holders and red candles. Red velvet napery, surrounding the center piece, were given to the guests as favors, and place cards were in the form of Valentines. The refreshments consisted of tiny sandwiches, grapefruit, hot coffee, fruit and punch.

A new family is welcomed. The home formerly owned by the Newtons, Hadley, 19500 Warwick, is now the home of Mr. and Mrs. James Shank, who moved from 21109 Telegraph road. They have two children, Kenneth, 6, and Kathryn, 9. They are affiliated with the Lutheran church.

All the pupils at Beverly school enjoyed a puppet show called "Poppy and the Magic Well" on Feb. 12. The show was held in the multipurpose room in order to accommodate the large audience.

Mr. Fredrick Thelen

Oak Park father says, "We're \$1,000 to the good... all because of Blue Cross-Blue Shield"

"It was a good thing we had Blue Cross-Blue Shield when our third child was born," says Mr. Thelen. "She was a premature baby... and they had to keep her in the hospital for 45 days. Between my wife and baby, we had a hospital bill of over \$500... and, under our Blue Cross membership contract, we were covered on every cent of it except \$25. Furthermore, Blue Shield helped to pay our doctor bill to the tune of \$200. Don't think my wife and I were grateful for Blue Cross-Blue Shield. It's the greatest thing my family can have!"

One in three families have hospital bills every year? If this is your year, come up, how would you pay the bill? Wouldn't you and your family be better off knowing ahead of time that you had the best hospital and doctor bill protection there is for each one of you?

Join the over 3 million Michigan people who have Blue Cross-Blue Shield. It's about how you can get low-cost group coverage. A company with as few as 25 employees may qualify as a group. Not a shift, but a switch of the pitch

And man! What that does for Dynaflo!

HOTTEST BUICK IN HISTORY

This is for sure... There's never been anything in your car-driving experience like the feel of Buick's new Variable Pitch Dynaflo — because there's never been anything like it in a car before. In a modern plane, yes. For this is the principle of variable pitch propellers used on airplanes. Their propeller blades change "pitch" for quick take-off—then change to another "pitch" for better gas mileage in cruising aloft.

Now you can do the same thing on the ground—in a 1955 Buick. Twenty propeller blades are ingeniously engineered into the Dynaflo

unit. They pivot—one way for a big boost in gas mileage while cruising—another way for brilliant new performance. You switch the pitch for instantaneous acceleration just by pressing the pedal way down. Then it happens...

A build-up of momentum smooth as oil—and quick as a split second. Dazzling new response on getaways—or a spectacular burst of instant safety-surge power when you need it on a highway.

It's pure thrill—and a happy surprise in its far better gas mileage in cruising. Yet Variable Pitch Dynaflo costs not a penny more than earlier versions of this wonder drive.

How about you trying it? And look into the sizzling new horsepower, the fresh new styling, the ever-level ride, the eye-opening low prices—all of which are making the 1955 Buick the hottest seller in all history. Come in this week, won't you?

Thrill of the year is Buick
