Forty guests attended the tea and baby shower honoring Mrs. Robert Kesner, the former Margot Iversen, daughter of Mr. and Mrs. Norman Iversen of Eldorado, and her new son, Robert Jeffrey, who was born January 10 at Mt. Carmel hospital.

The table, tea cakes, and favors were all in the blue and white theme. Assisting Mrs. Dymont were Mrs. William Hill, Mrs. Webster Owen, Mrs. Ford Daniels, Mrs. James Wickert, Mrs. Charles Zink and Mrs. John Jones.

Dr. and Mrs. C. A. Moyer of California drive were guests Saturday afternoon at a cocktail party and dinner at the home of Mr. and Mrs. Alden Smith of Royal Oak. Smith is the owner of the miniature fire truck that recently caused much excitement for the children in the neighborhood. Smith and Dr. Moyer spent an afternoon giving them all rides on it.

Mr. and Mrs. Byron Holmes of Goldensgate drive returned home from New York, where they spent several days. Along with attending the Motorama and shopping, they attended several banquets and plays.

**WOMAN'S ASSOCIATION**

Mr. and Mrs. L. B. Wortley of California drive spent an interesting week in New York City viewing the Motorama, attending parties at the Stork Club and new Broadway productions. Mrs. Wortley found little time to visit the New York stores.

**SCOUT SKATEES**  
Almost zero temperatures at Kensington park found Marie Ellen Goddard, Sandra McCall, Susan Wright, Elaine Timassey, and Joanne Vialle cutting fancy figures on the ice. The girls are all members of Girl Scout Troop 165, and proved themselves capable by building a fire and preparing a hot lunch in a not-too-sheltered Glen. It won't be long now and they will all have earned their Skater's badges.

**NEW ARRIVAL**  
Newest member of the California drive younger set is William David Batey, son of Mr. and Mrs. William Batey. Sister Claudia finds baby brother far more interesting than her dolls.

Taking part in the Detroit Federation of Women's clubs 60th birthday celebration on Jan. 29 at Federation House in Detroit, Lathrup Woman's club displayed two favorite projects: their two annual Red Cross Bloodmobiles, and the Girl Scouts.

A miniature bloodmobile and posters featuring the 809 pints of blood collected to date shared a table with a puppet show constructed and played by the Scouts of Troop 167 for the children at the Oakland County Children's Home.

Mrs. J. W. Davis represented Lathrup Woman's club during the day and explained the activities of the club during the judging of the tables.

### Dearborn mother says, "Blue Cross-Blue Shield saved the day for our family!"

"Blue Cross-Blue Shield saved the day for us when our seven-year-old son, Barry, was in the hospital," says Mrs. Drazer. "He was in a serious condition, and he was very badly burned. He was in the hospital for almost seven weeks... and the hospital bill alone was over \$1500! Our Blue Cross Comprehensive Contract covered all of it! And Blue Shield paid \$25 to our doctor. We're convinced there's nothing finer than Blue Cross-Blue Shield—ever!"

I suggested hospital bills strike one in three families every year. Wouldn't you be a lot safer if you were protected by the Plans that protect almost half the people in Michigan—Blue Cross-Blue Shield. Ask your friends. See if they don't agree with Mrs. Drazer that, for the little it costs, there's no finer protection.

Find out how you can get low-cost group coverage for hospital and doctor bills. A company with as few as 5 employees may qualify as a group. Today, call or write Blue Cross-Blue Shield, Mr. Gordon Cox, Huron Center, 1058 W. Huron St., Pon-tiac, Mich.

### Unusual Fashion Show Slated For Woman's Club Members

"Fashion Fads and Fancies," a very unusual fashion show will be presented by Goodwill Industries for the Lathrup Woman's club on Feb. 7, at 1:30 p.m., at the House in the Woods in Lathrup Village.

Attractive models in gowns of 50-100 years ago will step from the family album and bring memories of bygone days. A bathing suit of Grandma's day, a linen duster and a coonskin coat add variety to the lovely gowns which have come out of the closets in the Goodwill bags through the years.

The Detroit Historical museum dated the costumes and the program is planned and narrated by Mrs. M. A. Kopka of Royal Oak, who is promotion director of Goodwill Industries.

Two local petite misses taking part in the show are Joan Guphill daughter of Mr. and Mrs. Willis Guphill and Elizabeth Dickerson, daughter of Mr. and Mrs. Wayne Dickerson. Tea chairman for the day is Mrs. John P. Reilly.
