ELIZABETH BUNNELL MA 6-3444

Woman's Club to Celebrate Sixth Birthday with Party

The Walnut Lake Woman's club's sixth birthday will be celebrated Tuesday, Feb. 1 at a meeting at township hall on Orchard lake road at 8 p.m.

Planning party and refreshments is committee consisting of Mrs. Robert Rausch, chairman, assisted by Mrs. Robert Annan, Mrs. Donald C. Benway, Mrs. Bernard Brown, Mrs. Eugene Hamilton and Mrs. James Sandborn, Jr. This group met Tuesday evening, Jan. 25, to discuss ideas for the anniversary. Preceding the party, a short business meeting will be held.

Walnut Lake residents are reluctantly saying farewell to the Keith Symon family of Patton drive, who are leaving Jan. 29 for their new home in Madison, Wis. Symon, who has been teaching at Wayne University, will take up his physics teaching at the University of Wisconsin.

The family have been active members of the community, having served as president of the PTA this year, and also as an assistant Cubmaster of Pack 41. Judy and Punch are accompanying their dad this week on a trip to New York City, where they will visit an aunt, while Symon attends a meeting of the American Physical Society, where he is scheduled to read a paper on the subject of neutron accelerators.

NEW ARRIVAL

The Thomas J. Quinn family, on Westmore road, have been hosts to their daughter-in-law and son, Mr. and Mrs. Austin Quinn, who brought their family to stay for a while following the birth of the newest member, Colleen Mary, at Mt. Carmel hospital in Detroit on Jan. 6. Maureen Elizabeth and Thomas William, one-and-a-half and three years old respectively, gladly shared their pleasure in the latest addition to the family with their grandparents.

The Quinns have been busy in their drapery shop, where extensive remodeling has been in progress, but hope to get the completed done in time to spend at least part of February in Florida.

The Executive board of the Walnut Lake school PTA will hold a meeting Thursday evening, Feb. 3, at the home of Mr. and Mrs. Charles Robinson, on Highland Lane. The next open meeting of the PTA will be Monday, Feb. 14.

PORCH LIGHT ON?

Mothers participating in the Mothers' March on Feb. 14 will surround tonight between the hours of 7:00 and 8:00, and will be looking for your porch light. They hope to see a light in every porch in the district, indicating that the occupant wishes them to rise the hell for a contribution to the March of Dimes.

NEW TEACHER

Miss Eleanor Hewitt will be the new teacher in the third grade at the Walnut Lake school, replacing

"Railroading" Holds Interest Of Walnut Lake Cub Scouts

Den 1, of Walnut Lake Cub Pack 41, has been busy making railroad engines out of cereal boxes, in keeping with the theme of the month, railroading. This den will present the colors at the Pack meeting tonight. Denner is Tom Bingham, keeper of the bucksin is Robert Szymke, and scribe is Douglas Norland.

DEN 2 has been working on accessories for the den railroad. These boys have been busy bringing cheer to shut-ins around the neighborhood. Tonight this den will be in charge of getting the room in order for the Pack meeting, and straightening up the room afterward. Officers are denner, Ray Martin, assistant denner, Cliff Williams, and keeper of the bucksin, Tommy Kirby.

IN DEN 3, den mother Mrs. Robert Kreuz says that the rotating system of mother, helping out with the den has been working very well, and while she is in Florida, the meetings will be carried on easily and well because of the experience gained under this plan.

At tonight's Pack meeting, Mrs. Kreuz proudly reports, each boy further information.

Attending the motor-boat show in New York City last week for the Detroit diesel engine division of General Motors was Don Cypore, of South Clunbury road. Representing Birmingham who attended reported great interest in the new models, and large crowds at the exhibit.

WELCOME NEIGHBORS
Welcome to our new neighbors, Mr. and Mrs. William A. Bun, of West Dafford road, who moved from Shaftsbury road in Detroit to the new home in the Penobscot building in Detroit.

The couple have a married daughter in Glenview, Ill. and two grandchildren. Mrs. Johnston, of West Dafford road, has been busy in church activities at the Bushnell Congregational church, and in the Executive Park Women's club. The Johnstons are foregoing their usual winter vacation in Florida in order to get settled in their new home.

and Patsy Harper furnished nibbles for the Jan. 18 meeting and Cindy Joseph and Barbara Kipp for the Jan. 21 meeting.

NAN JONES and Carolyn Sandborn formed a committee to choose games and teach them to the other members of Girl Scout Troop 325 at their meeting Tuesday, Jan. 18. Susan Robinson taught the girls and presented her with a parting song, and was responsible for gift.

GIRL SCOUTS of Troop 413 have been making "sit-upons" of woven newspapers, which they are planning to cover with oilcloth. Last Monday the troop gave a farewell party in honor of Judy Symon, and presented her with a parting song, and was responsible for gift.
