Newlyweds Souders Choose Contemporary Ranch Home

Newlyweds Mr. and Mrs. Jack Souder are in the process of making their first home in a contemporary-styled ranch home in Bloomfield Farms. The Souders, both former residents of Birmingham, were married in June.

Their honeymoon they motored to Idaho, stayed awhile on Mt. Desert Island near Bar Harbor, Maine, and also at Rockport, Maine, went sight-seeing through the White mountains and returned home by way of Niagara Falls. A Della Gela Mrs. Souder attended Alban college. She now teaches in the art department at Bedford Union Junior High school. Souder is a graduate of the University of Michigan, and is connected with the Michigan Bell Telephone company. They both like photography, and are interested in music and art.

Residents of Walnut Lake are happy to welcome Mr. and Mrs. Norman Belg, who moved to Sunnyside road from Birmingham in May. The pride and joy of the Belg family is one-year-old son, born.

John is affiliated with the American Society of Agricultural Engineers, and in his spare time is an amateur radio operator. He is employed at the Ford tractor and implement division in Birmingham.

The Oliver Nordlund, of Daintee road, have been hosts for the last two weeks to their niece, Phyllis Matha, of Lansing. Phyllis graduated from high school in Ironwood last June, with a scholarship to the college of her choice. She has chosen Michigan State university, where she will enroll in the fall.
