First Half Champs Find Tough Going in LL Race

A pitcher's battle between Bill Mosher of the Indians and Bob Hendrickson of the Yankees highlighted Little League action in the American loop this week.

EACH PITCHER allowed only two hits, but a single run in the fifth inning for a Yankee 1-0 victory snuffed the Indians five game winning streak.

Last Thursday the lowly Tigers won their first game of the second half with a 5-3 win over the Yankees led by Mike Jackson's pitching and a two run triple by catcher D. Ward.

Two days earlier the Tigers lost an 8-7 decision to the Indians when the tribesmen pulled the first triple play of the season.

THE FIRST half champion Red Sox took another lacing after the 1-1 loss to the Indians, this time 17-8 to the Yankees. Simmons, Walton and Hendrickson each had three hits for the Yanks in the 15 hit onslaught.

THE WHITE SOX scored 8 runs in the bottom of the fourth and then scored four more in bottom of the final inning to win with a 4-2 record.

The hitting and pitching of Sandy Barr, who allowed only three hits, drove in three runs, in three runs for the losing Senators.

Legion Juniors Beat Waterford

Birmingham spotted Waterford first half winners of the 18th district American Legion league, a reported for pre-season football game in the third inning and then came on to beat Waterford 5-2 behind the pitching and hitting of Don Picman.

Tracy Reports to The Roughriders

Former Birmingham high school becoming one of the top backs in the South. He led the Southeastern University Tennessee last March, conference in running with 791 yards in the third and fourth carries for an average of 6.7 a try.

Tennessee team mate Jim Wade Tracy played halfback and full also reported to Ottawa for the back for Tennessee for two years.

TWO RUNS in the sixth and two in the eighth clinched the game for Birmingham.

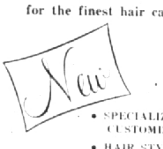

Picman gave up eight hits and collected four hits himself including a double to start the second half of the schedule on the win side of the ledger.

Jim Traa doubled in the two-run eighth inning for Birmingham.

IN OTHER district games, Hunon Valley beat Berkeley 7-2, and Clawson beat Rochester 7-1.

Call-a-decklers in the first half, those pesky Senators continued their surprising race in the Federal league with a pair of 1-0 victories over the Athletics and the Orioles and a 11-12 loss to the Whitesox.

Did you ever stop to notice the many variations of putting stances?

Some golfers play the ball off the right foot, some off the left, while others play the ball directly in the middle. Actually all of these stances are correct as strictly up to the individual. A good putter usually relies on the old saying of "made and not born."

After the fundamental of striking the ball are mastered the only remedy left for satisfactory results is continual practice, and although 36 putts are allowed on 18 holes, doesn't the "old" look better with only 30?

THE BIG men's golf match at Meadowbrook has nothing on the women as this week was the Women's State Amateur tournament at Oakland Hills.

The rugged course was quite a challenge as 32 golfers qualified for the championship flight last Monday.

Last year's winner, Mrs. E. O. Reynolds, was out battling against the best of them. Tomorrow the final 36 holes will be played eliminating the field down to one, the 1955 Women's State Amateur Champion.

IN AN inter club match between Knollwood and Tam O' Shanter, Knollwood came out the victors with Mrs. J. G. Israel medalist with an 82.

THE QUALIFYING round for the Women's State Amateur Monday really proved that the girls can really hit the ball. The main point of interest was on the seventh hole where Irene Bretz, left hander, hit a hole in one. The hole plays a very hard par three, but a four wood on the 180 yard hole proved the perfect club to use.

WIFI (Margaret) Smith, 18 year old, was medalist with a par 79. Her only downfall was on the second hole where she took a double bogey seven.

In second place was yours truly with an 81. I went three over par on the par three holes with only one par three and three fours on the short holes. Third position went to Mrs. Keith LeClair with an 83.

With the championship flight having 32 players and the rest of the flights 18 the 1955 State Amateur proved to be a week of good golf. Tomorrow the final will be played.
