

Mary Theurer chose a gown of Italian pure silk taffeta with seed pearls and chantilly lace for exchange of vows with William Daeschner.

Mary K. Theurer Wed In First Presbyterian

The First Presbyterian church was the setting for the wedding of Mary Kathryn Theurer and William H. Daeschner Saturday at 7 p.m.

She is the daughter of Mr. and Mrs. Edwin L. Theurer of Muirland avenue. Her husband is the son of Mr. and Mrs. William J. Daeschner of Birmingham.

The bride's gown of Italian pure silk taffeta was fashioned with chantilly lace and seed pearls dotting the neckline, the draped shoulders and the necklines. The full skirt over a hoop fell into a court train.

HER TWO-TIER FINGER TIP blusher veil was held by a small clip of matching lace and seed pearls.

The bride's sister-in-law, Mrs. Richard Theurer, was her matron of honor. Bridesmaids were the groom's sister, Katherine Daeschner, Mrs. Calvin Brown, Mrs. Fredrick Brudenbach, and Mrs. Kenneth Greider.

The attendants were dressed identically in pink and white dotted Swiss dresses with matching pink veils and face veils. They carried bouquets of white daisies.

R. Skinner's Contemplate Move West

A European trip from which Mrs. Skinner returned just a few weeks ago and a move to California later this year are among conversational subjects at the Adams L. Skinner home on North Adams.

SHE AND OTHER members of the Birmingham Society of Women Painters drove to Ann Arbor for the show.

Carol Elaine Higgs, 25285 W. 13 Mile, has enrolled in the summer school of Wheaton college, Wheaton, Ill., to study English and factual apologetics.

Local Artist's Work Is Shown As Movie Opens

A local artist, currently en route to Spain, recently had a one man show of paintings done on location of Katherine Hepburn and other stars in the film "Summertime, coming" in the film.

SIDELIGHT that Herzberg told his daughter, Mrs. Carl Honkann of Holland street, was that his own picture appeared in the "mob scene" in the film.

ing lost aboard his bus caused him delay, and he missed his boat. Another ship of the same line, leaving the next day, was missed also.

and now Herzberg is awaiting the ship's return, in about a month, for his trip to Spain.

Birthdays, anniversaries, guests, births, parties are all new—calling the society editor about them.

What happens if you **DISAGREE** with your insurance company?

All the property and casualty insurance companies that we represent are honest and forthright in paying claims. But insurance is a complicated business. And, as in other phases of life, honest differences of opinion do arise.

If you should ever disagree with your insurance company, who would look after your interests? If you yourself are not a professional insurance man, you would certainly be at a disadvantage. If you deal directly with the company, you must be prepared to be your own spokesman.

This question need never arise. The solution: buy insurance through an independent insurance agent. He represents not just one company, but several companies, which enables him to select the company and policy best suited to your needs. And if a difference of opinion ever arises between you and your insurance company—and such differences can add up to many thousands of dollars—he represents your interests to the best advantage.

Here's why **Record-Breaking Thousands Name Pontiac "America's Greatest Buy"!**

It takes only one word to explain why today's Pontiac is the most popular Pontiac ever built. That word is VALUE.

Buyers from both ends of the price scale are finding that Pontiac provides just about everything any car at any price can offer. It's a matter of fact, not opinion, that Pontiac is the biggest, most powerful car at the price!

For size, Pontiac reaches high into the fine-car price range—and comes up with a long 122" or 124" wheelbase. This is size where it counts, because nothing beats wheelbase in providing solid comfort and stability on any road at any speed.

Pontiac's performance is strictly Pontiac's alone—and it stems from the most modern, most advanced V-8 in the industry! Its mighty 200-h.p. Strato-Streak V-8 with four-barrel carburetor* provides more power than any car within hundreds of dollars of Pontiac's modest price.

Another Pontiac extra value, so easily measured when you get behind the wheel, is the supreme ease of handling that keeps all its eager power and husky bigness under instant and practically effortless control.

And if you interpret value in terms of appearance—here again Pontiac's your kind of car. Its distinctive "Twin-Streak" beauty and Vogue Two-Toning will stay new and fresh for years!

And for the final value clincher—Pontiac prices fit easily into any new-car budget!

No wonder Pontiac sales are at an all-time high! Come in soon and drive this wonderful car. We're sure you, too, will join the big swing to Pontiac!
