

**Lathrup Girl Hurt When Car Hits Bus**

A 17-year-old Lathrup girl suffered leg and hip injuries yesterday when her car ran into the rear of a parked bus in Detroit. The accident victim, Georgia

Myers, 17, of 27715 E. California, was listed as in satisfactory condition by Mt. Carmel Mercy hospital attendants. Detroit police said Miss Myers was driving her mother to work when she collided with the bus on James Couzens highway at Pembroke.

**BITS OF BIRMINGHAM**

ONE OF THE COSTS of the city's doing business is to pay delinquent bills for emergency ambulance service. This week Birmingham city commission approved bills ranging from \$2.34 to \$12 (and totalling \$102.34) for such services which have been returned uncollectable as far back as a year ago.

MORE ORDERLY PARKING on the south side of Southlawn, east from Pierce, is under study by Birmingham police department. Residents living across from the Pierce playground are concerned over the hazardous condition such parking creates during attendances at summer ball games there.

FROM THE HOME of Mrs. Earl Nelson, 2694 Dorchester, comes word of a "new" rose. Last week Mrs. Nelson was very surprised when she discovered one bloom, equally divided between pink and red. The bush, now in its second year, never has shown this split personality tendency before, Mrs. Nelson reports, and so far, all the current blooms have behaved themselves and stuck to one color, red. "I just don't know what happened!", Mrs. Nelson exclaimed.
